# THE DENTON

## TIGER

In the year 1924, the Denton basketball teams decided the school should have a mascot. The Tiger was chosen among the members. Hazel Hess (Denton) drew the mascot - as the story is told - on the study hall black board one noon hour while the others ate their lunch. It remained on the blackboard until around 1954.

The above tiger was drawn to resemble the tiger on the board by Alberta Rainwater (Jones) in September 1941, when the seniors decided to use it for the front of their school paper.

The first Denton High School was a two year school and became a four year high school in 1916.

The first school board was:

W. G. Denton

Jack Joyce

R. E. Denton

January 1, 1926

The first meeting of the Denton High School Alumni Association was held in the High School building on January 1, 1926 for the purpose of organization. Mr. Harkness and Mrs. Mary Schied aided. Mr. Harkness acted as temporary chairman and Mabel Harless as temporary secretary.

The motion was made and seconded that the officers elected at this meeting should constitute a committee to draft a constitution to be submitted for approval at the spring meeting. It was also moved and seconded that the secretary and treasurer have separate offices.

The following officers were elected:

President .....	Hazel Denton
Vice President .....	Alvin Denton
Secretary .....	Mabel Harless
Treasurer .....	Orville Denton

It was also moved and seconded that those present should be charter members, also that Mrs. Schied be an honorary member.

At a special meeting called May 10, 1926, the Vice President appointed committees for the association, which was to have their first banquet on May 22, 1926.

"CONSTITUTION"  
INSTRUCTIONS FOR THE ALUMNI MEMBERS

School Board members are NOT invited guests EVER to banquet.

Only invited guests are the Senior Class members and their sponsor. The Seniors are NOT to take guests under any circumstance to the BANQUET. May take one to the dance but must pay regular admission price for guest.

SENIORS, SPONSOR, OFFICERS & their GUESTS and ones on the PROGRAM are seated at the SPEAKERS TABLE.

A program is held with a number from the alumni and one from the Seniors. The WELCOME is given by an officer from the alumni and the RESPONSE from the SENIOR PRESIDENT.

SCHOOL SONGS

(Tune - "Happy Days Are Here Again")

Let us all be gay tonight  
Let's rejoice and sing and dance tonight,  
Let's drink a toast to Denton High,  
Shout her praises to the sky.  
Once a year we all do meet,  
To see our classmates is a treat,  
And this year's senior class to greet,  
Of dear old Denton High.  
Our school memories return,  
When of our friends we learn,  
Keep up the pep of D.H.S.,  
Try to scatter your share of happiness,  
And always try to do your best,  
For dear old Denton High!

(Tune - "Memories")

Memories of Denton High,  
Dreams and thoughts of you,  
May our dreams bring us to heights,  
Of love and friendship true.  
High school days, happy days,  
With our friends so dear,  
Oh may we be true,  
And happy to live in our  
Memories of Denton High.

The school songs were composed by Muriel (Volker) Marshall. At the 11th Alumni Banquet on May 29, 1937, these two songs were adopted by the alumni members to be alumni songs to be used each year.

Old High School Yell!

Oh! Denton High we're fighting for you,  
You'll find us cheering, always loyal to you,  
With our colors  
The Red and The White  
Waving on high  
So brave and so true, Rah, Rah, Rah.  
Lead us onward into the fight,  
as dauntless courage,  
Lead us always upright,  
Whether we win or whether we lose,  
We love our Denton High!

Mr. Elvin Howe

Our next thing on the program is by another member of our faculty, Mr. Elvin Howe. Mr. Howe is our musician tonight. He has had a terrible time deciding whether to take up music or write poetry. He was asking Merle Eylar's advice and Merle advised poetry. Mr. Howe asked, "Why, have you read some of my poetry?" Merle replied, "No, but I have heard you play." This sorta discouraged him but he finally decided it should be music. And he is going to show us how much he has achieved.

Elizabeth Whaley

So far, we have been listening to experienced speakers. Elizabeth Whaley, our next speaker, has not had much experience as the previous speakers, but I'm sure she'll hold the interest of everyone because she seems to have no trouble in holding Joe's interest.

Ed Normile

It is a pleasure to introduce to you our school politician, Ed Normile. Ed is noted everywhere for his knowledge as a politician. The other day Ed attended church. When he returned, his mother asked, "What was the sermon about?"

"Sin," was the reply.

"What did the minister say?" was the question.

"He was against it," promptly answered Ed.

We are all sure that Ed payed close attention to the sermon, aren't we? Mr. Normile, you may take the floor.

Dale Fridell

Our next speaker is an intelligent speaker noted for his bashfulness. But, I'm sure he is going to make as good an impression as he tried to the other day when he called his girlfriend. It happened that she wasn't ready when Dale called and he was forced to visit with her mother in the parlor. Dale hadn't the opportunity to meet her mother before, so, of course, he wanted to make a good impression. The conversation was going along smoothly when she asked, "Do you raise poultry at your house?"

Dale boldly answered, "We planted some but the chickens scratched it all out."

I'm sure Dale misunderstood her, and we're hoping he doesn't misunderstand us when we say we want a speech and give us a song instead.

Girl Singing

Besides speakers and Mr. Howe's music, our school pupils are also talented in singing. I'm sure you will enjoy the singing of Elva Mae Gish, Loula Sherrer, Frances Pinyard, Leila Cox, Dorothy Denton and Harriet Rader.

John Pauly

And now we will hear from a kind young gentleman. Yesterday, Joh Pauly met a hobo on the street who asked him for a nickel.

"What you do with a nickel?" asked John.

"I'd buy some supper, a night's lodging, a breakfast and dinner tomorrow," was the response.

Kindhearted John handed him a quarter and said, "Here, go and support yourself for the rest of your life."

Besides being kindhearted, John has the hobby of writing poetry. I hear that he has written a poem entitled "Friends" which he is going to thrust upon us tonight.

Everyone please stand while Rev. Vigour dismisses us.

Doniphan County Basketball Tournament Was Closely Contested.

One of the most interesting and closely contested basketball tournaments held in this county came to a close before a large and enthusiastic crowd at the high school auditorium in Troy, Saturday evening. There wasn't a dull moment in the whole tournament. Every team in the county put up strong competition and the two final games indicated the brand of basketball that is played in Doniphan County.

The Denton girls upset the dope to defeat Highland by the close score of 18 to 17. Twice this year Highland has beaten Denton and were expected to win the tournament easily, but Denton played an airtight brand of basketball that none of the other teams were able to fathom. The final game however, was a real battle with first one team in the lead and then the other. Brown of Denton was the outstanding player of the tournament, both boys' and girls' teams. The score:

Denton 18	FT	FG	F
Brown, f.....	3	6	0

Remember these memories through the years?

Remember:

1. The Irish songs of Orville Hazen
2. The duets of Berniece and Dorothy Denton
3. Maxine Morris' readings
4. Piano playing by Betty Ann Rader
5. Group singing led by Muriel Volker Marshall and Ed Marshall
6. Ukulele duet by Helen and Norma Barrand
7. When Llyod Roberts impersonated Major Bowes
8. The clown act by Leslie Roberts
9. Well known trio: Dorothy Hazen, Lois Wright and Audrey Roberts
10. Solos by: Wilfred Keebler, Evelyn Goll, Lawrence Guess, Bill Young, Larry Winchester and George Roberts
11. Violin solos by: Dorothea Bacon
12. Tap dance numbers by Phyllis Jean Bruning
13. Barber Shop Quartet: Harlan Hazen, Jack Denton, Paul Johnson, W.E. Bloomfield (Formed without notice Ed Marshall for group singing)
14. Violin trio: Alberta Rainwater, Doris Gish, Henrietta Jenkins (performed for school, church, 4-H & socials)
15. Vocal duets: June Rader and Lylace Keininger
16. Piano solos: Helen Barrand, Harriet Gish, Mildred Gish
17. When the alumni met at the "Red Apple" in 1930 & 1931
18. The Beulah Vanderslice and others Dance Band
19. The Dutch Young and Ray Murell Dance Bands
20. The Andrews Sisters (from Denton)
21. Mildred Walters and Lila Mae Bottiger doing the Charleston
22. In 1941 or 1942 when the girls' basketball team had to don their new red satin uniforms and ride donkeys down Main Street to promote the Donkey Basketball Game to appear that evening in the school gym. (A mighty cold ride and the donkeys were very stubborn.)

---

You Were Born Before 1945 If...

If you were born before 1945, just think of all the changes that you've seen during your lifetime.

You were born before television, before penicillin, before polio shots, frozen food, Xerox, contact lenses, frisbees, expressways, CD's and microwaves.

You were born before radar, credit cards, split atoms, laser beams and ball point pens. You were born before panty hose, dishwashers, clothes dryers, electric blankets, air conditioning, drip-dry clothes and before man walked on the moon.

You got married first and then lived together. Closets were for clothes, not "coming out of". Bunnies were rabbits, and rabbits were not Volkswagens. Pizza, McDonald's and instant coffee were still unheard-of.

Fast food was what you ate during Lent, and having a "meaningful relationship" meant getting along with your cousins.

You were before "house husbands", computer dating, dual careers and commuter marriages. You were before day-care centers, group therapy and retirement communities.

Before 1945... you never heard of FM radio, tape decks, electric typewriters, artificial hearts, word processors, yogurt, VCR's and guys wearing earrings.

"Time-sharing" meant togetherness and had nothing to do with computers or condominiums; a "chip" meant a piece of wood; hardware meant hardware and software wasn't even a word.

You hit the scene when five-and-ten stores sold things for 5¢ and 10¢. For a nickel you could buy five suckers, a pack of gum, or an ice cream cone, ride a streetcar or buy enough stamps to mail one letter and two postcards.

You could buy a new Chevy coupe for \$600, but who could afford one? A pity too, because gas back then was only 11¢ a gallon.

In your day, cigarette smoking was fashionable. Grass was something that was mowed. Coke was a cold drink, pot was what you cooked in and rock music was grandma's lullaby.

No wonder there is such a generation gap today. But, overall, those years before '45 were pretty good times, weren't they?

Memories, whether they be good, bad or unforgettable, are an asset that no one can ever take away. Pictures cannot fully express them; burglars cannot steal them; and the holder cannot lose them. Of everything gained in high school, one of the most valuable benefits, besides a great education, is the lasting memories.

KANSAS GIRL NAMED QUEEN OF FESTIVAL

Louise Keebler of Denton Reigns; Parade Today

A poised, charming miss in a white sport suit last night was transformed into a gracious monarch when Miss Louise Keebler of Denton, Kan., representing Doniphan County, was chosen queen of the St. Joseph Apple Blossom Festival by acclaim of the audience at the Auditorium.

With true regal carriage, Miss Keebler at the coronation ball proudly walked between lines of policemen and firemen standing at attention and received the crown at the hands of the bishop of the ceremony, Robert Clayton, clad as a medieval court clergyman.

The queen's attendants, girls from other apple-growing counties and ladies of the court, presented a striking picture as they filed onto the grass-covered stage where Miss Keebler mounted her throne and began her three-day reign.

Savannah Girl Close.

Her closest contestant for the queen's title was Miss Dorothy Watts of Savannah, representing Andrew County. Many tests in the form of handclapping and cheers from guests at the coronation ball were necessary before it could be determined definitely that Miss Keebler was monarch in the eyes of a majority of her subjects.

The lord high chamberlain, Doyle Barrow, clad in royal purple as was his liege, Mayor Phil Welch, feudal lord of St. Joseph, intoned the words from a scroll which granted all rights and privileges upon the smiling queen of the festival.

"Hear ye! Hear ye! Hear ye!" cried the chamberlain.

"Fair Province of St. Joseph."

"Loyal liege subjects of my realm, know ye, men and women of the fair province of St. Joseph of the realm of Missouri, that I, your lawful queen, acclaim and crown this day as ruler of this great people, do herewith proclaim that the St. Joseph Apple Blossom Festival shall be observed with all the rites and ceremonies.

Otto Strucksberg, chairman of the apple blossom parade committee, smiles a few seconds before giving the signal for the three-and-one-half-mile procession to get under way promptly at 1:29 o'clock from Noyes boulevard and Frederick avenue. He had promised the public that the parade would be down town at 2 o'clock—and it was. In the background is Miss Louise Keebler of Denton, Kan., queen of the festival, seated on her throne, a large, half-opened apple. Mayor Phil Welch and city officials are shown in the car in the foreground.

ST. JOE CORONATION.

Denton Girl Presided as Queen at Three-Day Carnival.

The St. Joe Apple Blossom Festival, which was held last Thursday, Friday and Saturday, was a very successful affair. A dance at the city auditorium opened the three-day festival. Here the county candidates for the honor of being queen were paraded before the crowd.

The volume of applause determined the winner and Miss Louise Keebler easily won, although there seemed to be some hesitancy in awarding her the honor.

The coronation ceremonies were then held and a dance followed, music by the celebrated George Hamilton Palmer House orchestra of Chicago.

Weather was ideal for the parade on Friday. The queen rode on a float on which there was a replica of an apple of gigantic dimensions.

Bands from neighboring towns and other beautiful floats participated.

Saturday, the children's parade was held. Threatening weather kept many from attending the third day.

The carnival drew large crowds from Doniphan County to St. Joe.

Elwood won first prize for having the best out of town float.

It is planned to enter Miss Keebler as a candidate for queen of the Flower Festival to be held at Shenandoah, Iowa, soon.

Golden **Field** of Wheat

With an artist's soul he views his masterpiece,  
Each sheaf of wheat like golden grain of sand;  
His farmer's heart gives thanks for rich increase  
In silent claim to oneness with the land  
Yielding its treasure from abundant breast.  
Once more he marvels at the mystery-  
Why seed must die before rebirth is blessed  
That from its loss comes life's great victory?  
The urge to plant, he knows, is but a creed  
And reads the Truth which has been printed there;  
Hands once held promise of a dormant seed,  
Now reap fulfillment to unuttered prayer.  
At Mother Nature's knee, man and Maker meet,  
He built an altar in golden field of wheat.

*Evelyn Sherwin Fuller*

This poem was written and appeared in the Capper's Weekly. Accompanying the poem was a picture of Kansas wheat fields at Smith Center, Kansas that Evelyn's husband, Charles, had taken.

Road Signs on the Open Road

Here's to the open road  
With signs at every turn  
Signs that make you stop and go--  
Turn right, turn left, detour and slow.  
Signs of every description  
Until you almost have a conipation.  
But life is just like that--  
With signs and bumps and mud and chat.  
Stay on the open road of life--  
Heed each and every sign.  
Except both happiness and strife  
As you travel down the line.  
And as the speedometer adds up the years  
In which you have weathered strife, harship and fears--  
Let each be a millstone marker--  
A monument of happiness, achievement and success.

Written by: Carl E. Smith, Principal  
For the Junior--Senior Banquet  
in 1941---"THE OPEN ROAD"

They say you can't turn back the years  
But I shed quite a few  
When I went back to Kansas  
To visit all of you.

When we landed in Kansas City  
The years just rolled away  
As I saw Chuck Roberts  
Coming my way.

I didn't see a Senior Citizen  
Just that red-headed Roberts kid.  
Far into the night we reminisced  
And talked about the things "they" said  
we did.

When we went to Denton  
It is hard to express  
How I felt-returning to the home town  
I felt I had just left.

There were some familiar faces there  
Like Willie and Lila Mae  
Some familiar places, too  
But had it changed? Well, I'll say.

And I thought "Tripletts won't know me.  
It will be a great surprise."  
But they did. But, like Walt said,  
Who could forget such an ugly guy?"

The highlight of the reunion  
Was the banquet Saturday night.  
What a lot of planning  
To make it all so right.

There were so many people I hadn't seen  
in years.  
We played that old reunion game.  
Where is she? Who married Who? What  
happened to so and so?  
And "You haven't changed a bit. You look  
just the same."

I was happy to meet Alberta Jones  
After so many letters back and forth.  
Glad to see some Californians there  
Like the Ackers (and so forth).

As it turned out,  
I was the one surprised.  
I never dreamed Lloyd and Fern would be  
there.  
I couldn't believe my eyes.

For Mike and I were buddies  
In those early years-  
We hunted everything together-  
Anything that sprouted ears.

We drove out in the country.  
There were so many farms no longer there  
And my old home, and Roberts, too -  
Empty, and in a state of disrepair.

Everything was so lush and green  
A lot of rain had "hit the loam."  
Reminded me of that song  
"The green, green grass of home."

Yes, things had changed  
No hedge fences any more.  
But one thing was the same -  
The people's hearts-as warm as before!

I hope those of you whose names I have  
not listed  
Will not feel left out  
As a poet --  
I am not gifted.

The thoughts are still there  
I think often of you  
Try to leave a small space for Cali-  
fornia, too.

Thanks again to all of you  
For putting up with me.  
If you're ever in California-you'll be  
as welcome as can be.  
We're in the book-on Telfair in a town  
called Sun Valley!!!

A Cheery "Hello" to you all

1981

(\*This was Lloyd Roberts' last letter to the Alumni\*)

In am very sorry I can't be present tonight as I am a member of the graduating class of 1921, but my thoughts are with you. Conditions beyond our control shattered our plans.

I remember so well of sixty years ago when a class of seven starry eyed seniors graduated from old DHS. Our motto was "To night we launch where shall we anchor" I wanted to be present so badly to night so I could tell you I really hadn't dropped anchor yet.

The old school building burned before we graduated - honestly we didn't do it. By improvising high school was continued in the Baptist Church - getting an education in those days was like "third and long yardage". In my senior year the fuzz on my upper lip began to show so I decided that was the year to start shaving - I cut my self both times, as a graduating present I gave my self a Gillette nickel plated double edged safety razor. I still have it and use it whenever I want a close shave.

Mostly I have been a Connoisseur of inertia since retiring Feb. 28-1969 as Traffic Mgr. for the Wood Preserving Division of Koppers Co. Inc.

Ferne retired in the fall of 1968 as secretary and book-keeper for the Fishback Mfg. Co.

We were just rocking along having lots of fun and enjoying life with the blessing of good health until Dec. 8th 1979 when I began having severe pains in the

left side of my body. Dec. 10th our doctor advised us I had a severe case of shingles. The pain is caused by a virus which destroys the sheath covering the nerves. Three doctors advised us nothing could be done to alleviate the pain except pain pills which just help you tolerate them.

The shingles cleared up in about seven months but the neuralgia pain is still with me. The constant pain is so debilitating I am still not physically able to travel.

Alberto I marvel how you with others have kept the Alumni Association alive and going. I'm sure your endeavors are greatly appreciated by all the members. We hope to see all of you next year.

Bye Bye Lloyd

# Class of 1938 remembers past

Here's a steal from The Boston Globe about a reunion of the Class of 1938. It's such a delightful reminiscence of how things were 45 years ago that I forward portions of it so that you can remember too. (If you are under 30, most of this will be as baffling to you as "Heavy Metal" is to me.)

It was sent to the Globe by Nardi Reeder Campion, who recalls:

"We were before television. Before penicillin, polio shots, antibiotics, and Frisbees. Before frozen food, nylon, dacron, credit cards and ballpoint pens. We were before air travel went commercial and transatlantic flights belonged to Lindbergh and Amelia Earhart. Before Israel and the United Nations. Before India, Pakistan, Indonesia, the Philippines and Iceland were independent countries. Since our graduation, 92 countries have become independent. And, God help us all, we were before the cataclysm of nuclear fission."

"We were before pantyhose and drip-dry clothes. Before ice makers and dishwashers, clothes dryers, freezers and electric blankets. Before Hawaii and Alaska became states. Before men wore long hair and earrings and women wore tuxedos."

"We were before Leonard Bernstein, yogurt, Ann Landers, plastics, hair dryers, the 40-hour week, and the minimum wage. We got married first and then lived together. How quaint can you be?"

"In those days, bunnies were small rabbits and rabbits were not Volkswagens. We were before Grandma Moses and Frank Sinatra and cup-sizing for bras. We wore Peter Pan collars and thought deep cleavage was something butchers did."

"We had girdles with garters and petticoats and serge-bloomers for gym. We had goldfish eating and hilarious train trips across the country to college, and some had giddy ocean voyages to Europe."

HARRIS NEWS SERVICE

"We had humorists who were funny — Thurber, Benchley. E.B. White, Charlie Chaplin, Bea Lillie, W.C. Fields, Ogden Nash, the Marx Brothers. We mailed our laundry home in cardboard containers and it came back with brownies. We had fountain pens and bottles of real ink. We had stockings made of real silk, with seams up the back that were never straight. We had all the big bands, Glenn Gray, Tommy Dorsey, Guy Lombardo. Unlike the remote-control dancers of today, we knew how it felt to have your partner hold you close and double dip."

"We played thick 78 RPM records with cactus needles. We had Toscanini and Koussevitsky and Flagstad and Edward VIII and saddle shoes and cars with rumble seats. And when Ray Noble played 'The Very Thought of You' on his piano, we melted."

"Like Kurt Vonnegut's Billy Pilgrim, I've become unstuck in time. In the springtime of my senility, I am a misfit. I don't go in for consciousness raising or sensitivity training. I don't like to jog. I don't like pesto sauce. I don't know how to pump my own gas. My legs are white and my stockings are tan when the opposite is the style. I'm not 'into' veggies or Yoga or Zen or Punk. My idea of a good time is to walk with a man not jog with a Walkman."

"I seek silence in a day when silence is as rare as a Gutenberg Bible. The man I live with is my husband and after 42 years he's still the same one."

"How embarrassing."

At one time we had 16 Alumni members that lived in California. During the war years, some went there for jobs, some were stationed in the service there, and some married and settled there and have lived there all their lives.

The Kansas Chief would report of the annual Doniphan Co. picnic where the alumni members and others from Doniphan Co. would meet and keep in touch with everyone.

And of course people from this area would go to California on vacation, etc. just to visit the alumni members of Denton.

"We are at War!"-How many times have you heard those words since Dec. 7th. The radio and newspapers remind us daily of the actuality of war--"U.S. is at war!"

This war is going to bring restrictions and limitations which we never before have known, especially to our young people. We who well remember the World War I can help ourselves and these young people meet the sacrifices all will have to make. We can appeal to their sense of loyalty and patriotism in our local defense program and in so doing develop in them and ourselves an unselfish attitude toward the demands and needs of our country and mankind. This will carry us over the trying period that is to come and in so doing we shall have shared in the victory of the future. This is a challenge to everyone of us and to our community.

Shall we meet it? "Let's go Denton"

JUNIOR RED CROSS

The students of Denton High have organized a Junior Red Cross. In order to be a member of the Red Cross each Student donate a dime. A 100% enrollment is necessary for membership. The High School elected a Student Council to supervise the Red Cross. The following were elected:

- President-Rosemary Burke
- V.President-Gregory Miller
- Secretary-Bill Barrand
- Treasurer-Bernice Brentano

Everyone is learning how to knit. The students are collecting all scraps of yarn so the girls can knit an

afghan for the Red Cross. If you wish to help these knitters, donate any scraps of yarn you may have or buy some for us.

Mrs. Francis and Mrs. Roberts have already knitted a dozen pairs of wristlets and anklets for snowsuits for refuge children.

OUR SCHOOL'S PART IN THE WAR

The high school student of this year will be the warrior or producer of essential goods and services next year. Military and educational leaders know the value of intelligent skilled workers.

A shortage of labor has caused a demand for students to help in harvesting crops and doing other work for which no other help is available.

Many schools have found it necessary to stagger school hours and even dismiss classes to meet the need for harvesters of perishable crops. There has been frequent cases in which students have been called to work from school, but these are different times. The teachers are giving time outside regular school hours to help those students.

We as teachers aim to help. Education is one tool we must all use.

ANY SCRAP TODAY?

Denton under the leadership of the high school pupils is doing its share in the national scrap drive. The pile of scrap in the school yard is proof that all the effort expended by our boys and girls has been worthwhile.

This project could not have been completed without the cooperation of those who furnished the conveyances for hauling the scrap. Dwight Sellars, Vernie Bruning, Arthur Albers, Kenneth Bottiger, Carl Mueller, Allen Barrand, Henry Bottiger, and T.B. Shulsky donated their trucks and tractors for this purpose. We are most appreciative of this generous assistance.

Although the scrap drive ends this week, any scrap you wish to give can be a continuous process until the end of the war--be it metal, rubber, hemp, fabric, or fats.

How much do you think has been collected?

Mr, Streator says, "About ten tons".

"Uncle Ben" (the janitor) says, "Twenty-five tons".

VICTORY BAND CONCERT

On Oct. 1, 1943 the Denton High School band gave a band concert and a community sing under the direction of Mrs. Muriel Marshall. Between groups of band numbers, songs such as, "Over There", "Deep in the Heart of Texas", and "Marine Hymn" were sung by the audience.

This program proved to be a big success.

\*\*\*\*\*

The Music Department plans to give a community sing and band concert each month if possible.

We know that when gasoline is rationed, it will be difficult for most people to go any distance for entertainment; we hope we shall be able to do our bit supplying a part of it here at home.

The High School Band is composed of 24 members, we have 23 in the Girls Glee Club, and 12 in the Boys Glee Club.

STUDENTS AT MIDWAY High school at Denton hope to attend classes in their new school building by the last of this week. Midway is the name given the Dominhan County Consolidated High School which includes the former Denton, Bendena, Severance and Leona districts.

WITH BOOKS UNDER their arms these students are ready to move into the new Midway building at Denton. From left are Deanna Schoenfelder, Marion Barrows, William McNulty, Betty Paulr, Phyllis Getzfeld, Vicky Keebler, Lois Redmond, Sue Kelting, Jane Moore and Sharon Nesbitt. They are standing in front of the old Denton building.

## To New Building

# Midway High At Denton Prepares For A Move

Students and teachers at Midway High School, officially known as Doniphan County Consolidated High School District No. 1, Denton, are preparing to move into their new spacious building.

The Doniphan County Consolidated district is a consolidation of four former High schools—Denton, Bendena, Severance and Leona. Some 92 students enrolled now attend classes at Denton.

The new building is located on K-20 near Denton. It is constructed of concrete blocks with brick finish.

Residents of the district voted several times on bond issues before approving a \$390,000 issue to go ahead with the new building.

It is estimated the structure will cost around \$350,000. John G. Bugboom Construction Co., Salina, is the general contractor. White-Layton, Inc., Manhattan, is the mechanical contractor, and Harry C. Kornis Electric Co., St. Joe, is the electrical contractor.

Charles F. Short, school principal, believes the move to the new structure may be made this week. He added new equipment will be installed in many of the new building rooms, but some equipment will be moved from the old to the new structure.

The new building, one floor, has nine class rooms, combination library and lunchroom, music room, shop and a combination auditorium-gymnasium. Williamson, Leeb sack and Associates are architects.

A large central hall extends east and west the length of the structure. Both sides of the hall at the east are devoted to class-

room space, and on the west are the shop, band room, library-lunch room, and the gymnasium.

"We hope to use the gymnasium for the first time the night of Feb. 17 in a game here with Maur Hill," Short said. "I don't know it if will be entirely finished by that time or not."

The school has eight teachers—Short, Thomas J. Burke, vice prin-

CHARLES F. SHORT, Principal

incipal, William D. Thurlow, Manley Vance, Greta Pry, Sharon L. Watkins, Shirley Ann Bay and Rachel Noble. Vernon Rader is custodian.

Kenneth Bottiger, Denton, is director for the district. Alva Ricklefs, Severance, is vice chairman, and William Laverentz, Bendena, is clerk.

Woodwork in the structure will be finished with buff tile.

# Denton had many different names

The area where the present day town of Denton now stands was first named Underwood and was later renamed Darwin for Charles Darwin.

It was named Darwin in 1882 when the biologist's shocking views on evolution were gaining support. The actual townsite of Denton was laid out at the intersection of four farms in 1887. Three of these farms belonged to Dentons ... Moses, William and John Henry. The town was first named Dentonville but in 1905 the name was shorted to Denton.

The town was situated near the site of the old state station, Syracuse, on the Pottawatomie trail, where the Vickerys kept store early in the 1860's supplying neighbor and traveler with bacon, brown sugar, and what is said to have been a fine quality of a certain elixir usually contained in a little brown jug.

Even before the town was laid out, there was a church and a school in the area. The Denton Methodist Church started as a religious organization called the Ridge Prairie Society of the Methodist Episcopal Church, situated in the southwestern part of Wolf River Township.

Later this part of that township was organized as Union Township. This Methodist Society started a cemetery by the side of the church, which they located on the southeast part of the present cemetery, called the Ridge Prairie church and cemetery. This organization was chartered and incorporated February 23, 1871.

When the Rock Island Railway from St. Joseph to Topeka was completed in Union Township in 1886, and the townsite of Denton was laid out in 1887, this Methodist society decided to build a new church in the new townsite, which they did in 1889. The cemetery was incorporated as the Denton Cemetery in 1893.

In June of 1932, the name of the church was revised to The Methodist Episcopal Church. In 1941, the name of the church was again amended to the Denton Methodist Church. The present building is the one built in 1889. In 1928 the building was raised off its foundation and a basement was dug under the whole building, the choir loft was built in, and the southeast room added. This church never had a parsonage of its own nor a resident minister until 1956 when the new parsonage was built.

In 1871, the Ridge Priaire School was established and located on the road south and east of the Denton cemetery and was maintained there for a short time until the school was moved and established in the town of Denton in 1887. In 1920, fire destroyed this building and in 1921 the Denton Grade School was built.

The next year, 1922, the Denton Rural High School was built. In 1954, consolidation and unification took over the control of these buildings and the schools were later absorbed in the Midway Unified School District 433.

The George Denton farm, which was located near the Ridge Prairie Cemetery, church, and school was a station on the Pony Express Trail and a landmark for water to covered wagons going west in pioneer days and the mark of the wagon trail was visible years later in the little field toward the cemetery.

After the town of Denton was laid out in 1887, the little town enjoyed a healthy boom in the early 1890's with stores and dwellings springing up like May flowers. It began a friendly race, with Bendena toward the goal of prosperity. William Kirby, of the Doniphan neighborhood, erected the first store in the fall of 1886. It was while he was a resident of Denton that Kirby published his interesting book on Mormonism.

The first dwelling was built and occupied by E. Callaway, who was also the first carpenter. Callaway was one of the mail carriers between Severance and Kennekuk in the early 1880's. The first blacksmith in town was Tom Griffis who opened a shop in 1887.

One of the very early grain dealers was James Bundage at about the same time. The second store in Denton was opened by L.H. Priester. A hall was built over the store soon afterwards. David Schnee opened the first meat market in 1888.

Seward McConnell came in 1889 with a stock of general merchandise. The first physician was Dr. Stewart who was also the proprietor of the first drug store. He came in 1889.

At one time the town had its own newspaper called the "Denton Wheel." In the fall of 1893 more than forty carloads of apples were shipped from Denton. The price paid was \$2.50 a barrel and the apples were said to be extra fine.
