Dear Helen, Jerry & Family,

I decided after talking to you to send this information on to you.

The information about your grandparents I got from the death certificate I got for & sent to Leo & Jeannie. Incidentally, I haven't heard a word from them and I sent the death statements at least a month ago. No letter means no reimbursement of money. Apparently, there are no tombstones for your grandparents. The listings that I found were taken by members of the genealogy society & their lists were compiled from tombstones only. Of course, it's always possible that some are missed. These listings were made in 1970.

In Maple Grove Cemetery at Alexandria are your great-grandparents:

Leroy P. Drake - 1851-1920

Mary C. Drake - 1854-1928

If you want the death statements for the Drakes, write:

Ohio Department of Health
Division of Vital Statistics

Columbus, Ohio 43215

I would assume they both died in Licking County. There are some Pratts buried in St. Albans Twp, but so far I have found no one named Purvis. I maybe

half-mile west of Alexandria, where he bought one hundred and forty acres. There he spent the remainder of his life, rearing in addition to his own family three grandchildren, making seventeen altogether. On the old homestead he died in 1868, at the age of nearly ninety-three. His wife passed away when eighty-four years old. She was an exemplary Christian woman and a member of the Baptist Church. He was a soldier in the War of 1812 and held numerous local offices in this county.

Our subject's paternal grandfather spent his entire life in Pennsylvania, where his death occurred. The maternal grandfather, also a native of the Keystone State, came to Ohio and settled in Perry County about 1809. Osmer Drake has spent his entire life (a period of seventy-six years) in Licking County, where in youth he was a student in the old-fashioned subscription schools. On the 10th of December, 1840, he married Miss Lucinda, daughter of Philip Siler, and two sons and five daughters were born of their union, namely: Ann Maria, Caroline, Alvin, Almira Josephine, Sarah Alma, LeRoy Pratt and Amanda Elizabeth, all of whom are living but Almira J. The eldest, Ann Maria, married Thomas Orr and they have five children living, Alvin H., Josephine, Mary, Lois and Osmer. Alvin married Miss Nancy Stroup, and they have one child, Dessie. Almira Josephine became the wife of Jerome Phillips, and they have five children, Maude, Lois, Romy, Dolly and Freddie. Sarah Alma, wife of John T. Wainscot, has three children living, Zorus, Pearl and Osmer Green. LeRoy Pratt married Miss Mary C. Purvis, and they have six children, Clara, Cora, Osmer, Charles, Sarah and Elmer. Amanda Elizabeth, wife of H. J. Curtis, has four children, Clifton, Alda, Clyde and Bertie.

The wife and mother died May 2, 1872, at the age of fifty-four years, and for his second wife Mr. Drake chose Miss Sarah, daughter of James Trout, of St. Alban's Township. For some years Mr. Drake was a member of the Order of Red Men, but of late years has not been actively identified with the organization. About 1843 he bought his present farm, where he has since resided continuously. His first house was a log cabin, which was

replaced by a frame building, and the latter continued to be the family residence until it was destroyed by fire about forty years ago. Afterward a substantial house was built and this has since been the family home.

Through a long and busy life that has passed the seventy-sixth milestone on the journey to immortality, Mr. Drake has shown himself to possess in an eminent degree those dominant characteristics of the sons of the Buckeye State that have made them such potent factors in the upbuilding of any community where their lot may be cast. His capability and keen insight into the best methods of conducting his financial interests, together with his plain and straightforward dealings, have placed him among the prosperous men of the county.

JOSIAH MCKINNEY is active in advancing the agricultural interests of Licking County and occupies a prominent position among the farmers of Newton Township. He has known no other home save the farm upon which he now resides. It is his birthplace; around it cluster the happy memories of childhood and youth; here too were passed the active days of life's prime and here he continues to reside in the afternoon of his useful and honored life.

Among the pioneers of Ohio may be mentioned the name of the late Joseph McKinney, father of our subject. He was born in Westmoreland County, Pa., July 6, 1800, and in 1814 accompanied his parents to Licking County, making settlement in Bowling Green Township. There he grew to manhood upon the home farm. The lady whom he married in Newton Township bore the maiden name of Elizabeth Hopper, and was born in Culpeper County, Va., December 21, 1808, having accompanied her parents to Licking County in childhood.

After their marriage Joseph McKinney and his
