“Memory is the treasury and guardian of all things.”
Cicero

At 8:20 each morning another page is opened in Midway High School’s giant history book. The crowded, noisy halls, the quieter classrooms, the patient teachers, and the very active students are the words which fill her pages.

To a few it is “just a school,” but to the majority of students it is the place where they learned together, shared together, and had fun together.
We, the Senior Class of 1969, under the direction of Mrs. Greta Pry, have tried to put these words into pictures in the 1969 Eagle. We hope that as you leaf through its pages, you will relive many treasured moments spent at Midway High School. May this yearbook always bring to your mind the fondest of memories.

Dedication

We take great pleasure in dedicating this our 1969 edition of The Eagle, to our teacher and friend, Mike Strong:

Whose concern and guidance to all students will long be remembered.

Who has inspired all students through his teaching.

Who has devoted his time and effort to better our character and school.

Who has set a good example and inspired in all students the will to succeed.

We hereby dedicate this 1969 Eagle to Coach Strong who, although leaving, will long be remembered for his loyalty to the faculty and students of Midway High.

"IT'S UP TO YOU"

Benjamin Franklin was one of the writers of our American Constitution. To help get it approved by the people, he traveled about this new country explaining it. At one meeting an unhappy citizen shouted at him, "Your constitution ain't nothin' but words. Where's all this here happiness it promises coming from?"

Franklin replied, "My friend, the Constitution only guarantees the American people the right to pursue happiness. You have as yet to catch up with it yourself."

Just as making this fine school annual, any good thing takes effort to attain. There are no shortcuts to success and happiness. Wisdom, education, spiritual wealth, and happiness has to be earned through brave deeds and acts of faith. We have to give something of ourselves in return for any of them. "Any worthwhile goal must be caught, and not merely chased."
