# 1975 STREAK STAFF

The 1975 yearbook staff is different from any other. This year we have a special yearbook class plus a group of seniors who work on the yearbook outside of school. I hope that we have captured many of the events that we will want to remember in the future. I wish to express my thanks to those who have helped make this yearbook possible. Through their work we can see they have pride in their school.

### *THOUGHTS FROM THE PRESIDENT*

Our class of '75, anxious to get out and on their own, will always hold memories of their high school days at HHS, whether it be taking a test, fun times in study hall, or going to the office to talk to Mr. McGee. Our class has been one which has added to the school by it's member's participation in school activities. We remember, as we started four years ago "Yesterday we were followers, Tomorrow we lead."

## SOPHOMORES

This year the Sophomores started with a successful money making project. Washing and waxing combines for Doug Miller earned us a total of \$1,135.00. A chili supper was also a money making project. Our class has learned how to work with others, and we are on our way to a successful future. Class sponsors are Miss Bauman and Mr. Hutchcraft.

## FRESHMEN

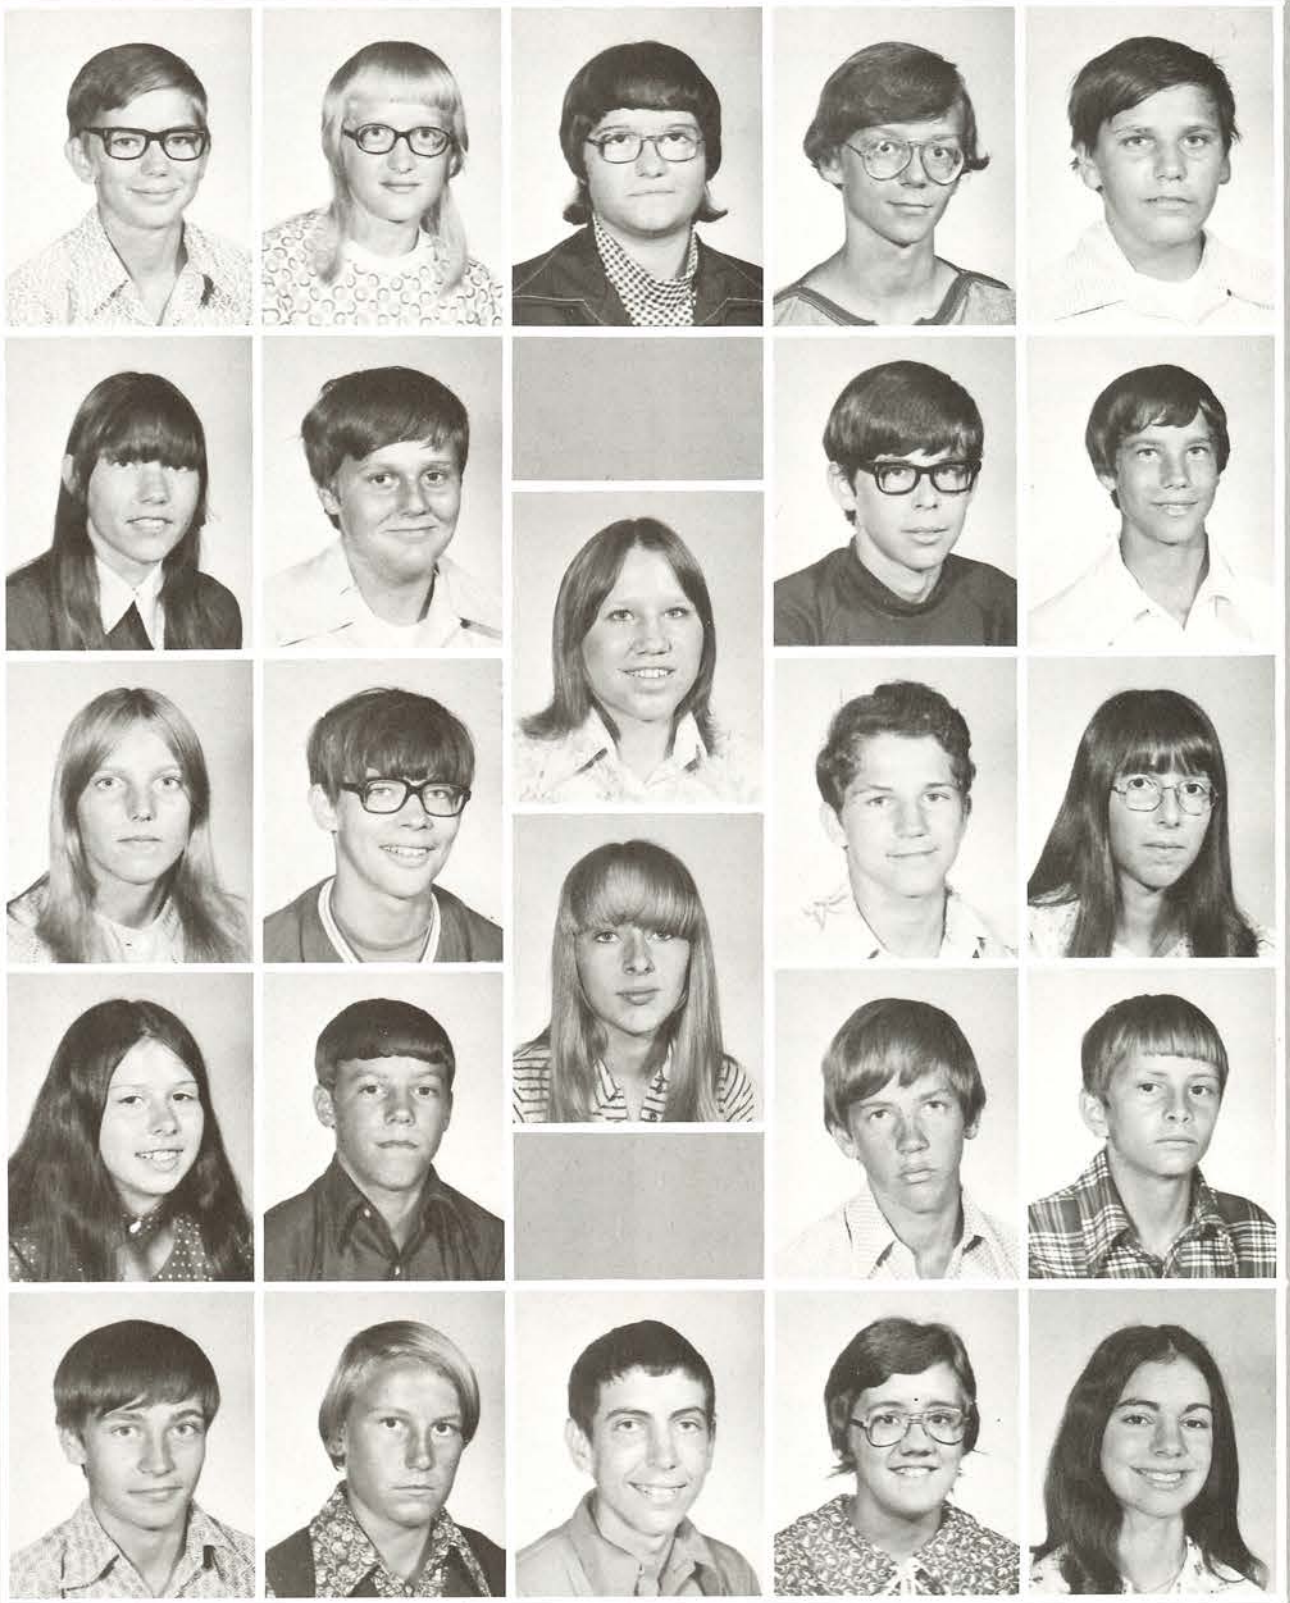

To most Freshmen the school and the students were unfamiliar at first, but as time went on everyone adjusted. Initiation was the main happening during the first two weeks, and it was highlighted by the initiation party. The popular class for the freshmen was driver's ed. A few boys participated in football and many girls and boys enjoyed basketball. The Freshman class is proud to be a part of Highland High School and hope to leave many good memories behind. The class sponsors are Mrs. Trant and Mr. Collins.

The Streaks had an outstanding 1974-75 season. Some of the team's thoughts about the season follow: "It was a very exciting, physical, and interesting season." "The team played well although they could have played better." "The season ended on the wrong foot because we should have ended with a win." "It was a good season, we played both good and bad ball, and most important is we had fun." # CLASS HISTORY

The class of "75" entered the halls of H.H.S. in 1971. We were 30 fresh freshmen ready to take over. The Seniors welcomed us by letting us know who was boss and that we weren't going to take over. They had us yell many things, carry their heavy books, and finally let us kiss our beanies goodbye. The Seniors honored us with a party where we danced to our theme, our favorite... "It's Howdy Doody Time." We then really felt we were full fledged students of Highland High.

Our officers for the year were Jane Miller, President; Randy Hallauer, Vice-pres.; Brad Gilmore, Treas.; Paul Stewart, Sec.; Tim Collins, Sgt. at arms. Our sponsors who kept us out of trouble were Mrs. Trant, Mrs. Lackey, and Mrs. Klassen. To earn money we sold candles and had a bake sale. That started our rise to fortune. Our first class party was a dance held in the school lunchroom. In that first year, we gained one student, Susan Casey of Dallas, Texas, and lost one, Carl Dittimore, to Iowa City, Iowa.

We began our Sophomore year with Randy Hallauer, Pres.; Brad Gilmore, Vice-pres.; Jane Miller, Sec.; Charlie Forney, Treas.; Paul Stewart, Sgt. at arms, and we had a new set of sponsors: Mr. Mattix, Mrs. Trant, and Mr. Cromwell. To enrich our Treasury Department, we held a bake sale, cornbread and bean supper, slave sale, and car wash. For our class party we decided to adventure to Squaw Creek Road in White Cloud for a sleigh riding party. That year we bid farewells to Pam Boos who moved to Colorado, Dean Pointer who moved to Leavenworth, Kansas, and Glenn Foster who moved to Atchison, Kansas.

Our Junior year was one of our busiest. We selected Dalene Gaither, Pres.; Randy Hallauer, Vice-pres.; Glenda Whetstine, Sec.; Paul Stewart, Treas.; Jesse Hamilton, Sgt. at arms; and still had a different set of sponsors, Mr. Hutchcraft, Mrs. Sears, and Mrs. Bulkley. That year we welcomed Julie Davis, Mike Harroun, Steve Langley, Kim Boos, and Tom Ptomey to our ranks.

We were very anxious to select and receive our class rings that designated us as Juniors. To raise money for Prom we took charge of the concession stands, had a pancake feed, and chili supper. To help clean up the town we held paper and aluminum can drives.

One of our biggest events was the Jr.-Sr. Prom. "Reflections" was chosen as our theme and U.S.A. provided us with our "get down" music. The orchid was selected as our class flower along with royal purple and orchid as our colors.

Five of our classmates departed, Tim Collins was married, Randy Nuzum started farming, and Steve Langley moved to Lake Havasu, Julie Davis was married, and Mike Harroun moved to Marysville, Missouri.

Our dreams were finally coming true when the class of "75" took over H.H.S. as seniors. We elected Dalene Gaither, Pres.; Jane Miller, Vice-pres.; Kim Boos, Sec.; Paul Stewart, Treas.; Brad Gilmore, Sgt. at arms; and WE sponsored Mr. McGee and Mr. Cromwell. This year Carla Bowen and Kay Renkel joined us and Joann Tilton and Teresa Taylor finished their Senior year at Vo-Tech. We let the Frosh know who was "Boss" at their initiation dance entitled "New Zoo Revue."

Our money raising projects to go on sneak consisted of magazine sales, a bake sale, car wash, and slave sales, and still we didn't have enough money. After four years of being told that we would never, never make it or that we couldn't go on sneak, we made it to the Ozarks at Kalfran Lodge. After being informed of the laws of the lodge we proceeded to our main goal...having fun! This included boating, swimming, riding go-carts, dancing, and skiing. We returned home tired, happy, and sunburned.

The following week-end we were guests of the Junior class at the Junior-Senior Banquet and Prom held at the Maple Leaf and Allen Field House. Their theme was, "We May Never Pass This Way Again," and U.S.A., again, provided our music. We want to thank the Juniors for a wonderful night and a job well done.

Class night marked our final duty as students of H.H.S. We were all breathing sighs of relief and couldn't wait to receive our Diplomas...hoping they would be signed.

Baccalaureate was held May 18, and commencement Wednesday, May 21, at the Allen Field House. It's been a great four years. We are now looking forward to the future for bigger and better things and hope to fulfill our class motto: "Yesterday we followed, Tomorrow we lead."

## PROPHECY

After graduating from H.H.S., Debra Rosenberger moved to Everest and opened a small carpentry shop. She is now busy making small bunks.

After attending 2 weeks of college, Jane Miller decides it's not for her, so she eloped on a John Deere tractor. She can now be found working for Bruning & Bruning.

After graduating from H.H.S., Wino (Joel Ann Lusk) continued her hobby by opening the Scoop Tavern. In her spare time, she amuses herself by having dance contests at the local playboy club.

After his failures at Troy, Roger Jenkins moved to better prospects (he thought). Roger is now making wigs from real hair. His own.

After failing her driver's test, Kay Renkel decided to open her own go-cart track where she amuses herself by tormenting other drivers by driving her own go-cart.

After 10 years of being a groupie, Debby Sisk became the first female member of the U.S.A. band. She is now moonlighting as head bar maid in the Scoop Tavern.

Three months after graduating, Paul Stewart bought out Hugh Hefner's private Playboy Clubs. He can now be seen combing Scoop's Tavern for new prospects.

After years of searching but not finding, Mike Jones finally realizes that women just aren't everything. Mike is now the only Monk in the world who drives a Rally Sport.

After Big D (Dwight Neibling) inherited the Neibling estate, he bought the Kansas City Chiefs and appointed HIMSELF head coach.

Brad Gilmore, alias Pigmy, after graduating, finally retired from Miller Implement and started his own business by raising little red-headed Keebler cookies.

After graduation, Cindy Matthias moved to Arkansas to continue to be serenaded by a lonesome, love-sick, guitar player. Around 1:00 each night, a flash-light was needed to put starry-eyed Cindy to bed.

After graduation, Kim Boos, the class brain, went back to the Ozarks to take more skiing lessons and to teach the Polish lad how to steer a boat and make time all at once.

Randy Hallauer went on to become an area superintendent and found time to raise a nest of mouses. (His cheese bill was enormous.)

Brenda Davis saw "Butterflies Are Free" so many times, that they gave her a season ticket. She also has the world's greatest butterfly collection in the world.

Lorie Taylor can now be found as night watchman down at the Ozarks. She keeps busy looking for ex-convicts in the tall grass around Kalfran Lodge.

After running the three-minute mile, Gary Dively has now set the world's record at running the mile and milking a cow at the same time.

After 50 years of waiting for her hubby to return from harvest, Dalene Gaither has finally come to the conclusion that it's back to the 'ole drawing board. Better luck next time.

A monument has been erected at the roadside park in honor of a certain yellow '57 Chevy which was continuously seen there. It's a nice spot to take your sister. How about it Charlie?

Milgram stores have now been consolidated with IGA and Kroger stores. The headquarters are centered in Highland, Kansas, which is run by millionaire tycoon, John Michael Swoyer.

After going steady with her boss for 10 years and then being replaced by a younger woman in her job, Carla Bowen can now be seen overlooking a string of Krogers.

Gary Edie has now added a new Renkel to his life. He can now be seen repairing go-carts.

Glenda Whetstine has made her fortune on her hit record "'ole Buddy 'Ole pal, I Hate You!" After failing at serious jobs, Glenda can now be found working part-time as Goofer in Lee Mace's Ozark Oprey.

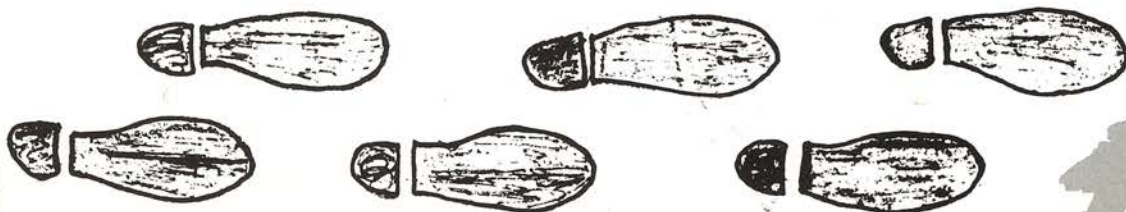

Susan and Jim, in a station wagon filled with noisy brats, can be seen sight-seeing the mile south of Highland on the Severance road. Their hobbies include going to the roadside park to TALK in privacy.

After retiring from pro-football, Jesse Hamilton settled down to his prize bird sanctuary--which specialized in owls!

Scott "Fuzzball" Elrod had to quit the pole vaulting Olympics because of the wind resistance of his hair. He also lost the "lift" he used to have.

Toma Ptomey left for Nebraska immediately after graduation, but had some trouble when both girls showed up.
