Class History

When the class of '69 entered HHS in the fall of 1965, it was composed of forty-one frightened freshmen. The year started with the election of class officers who were: Stanley Lewis, President; Scott Corder, Vice-President; Sandy Blevins, Secretary; Nancy Hargis, Treasurer; and Sam Caudle, Sgt. at Arms. The sponsors were Mrs. Ruth Wheatley and Mr. Nolan Decker. When we lost Mrs. Wheatley in December after surgery, Mr. Jerry Zahner became our new sponsor.

We were initiated into HHS by being beaten on, ridiculed by ridiculous outfits and the seniors' constant pranks. We had to do calisthenics in the study hall at noon, play leap frog in the halls, and say a little speech (prepared for us by the seniors) whenever a senior wished us to do so. We also had to be slaves to their every command. The day was topped off by a dance held in our "honor" in the gym that night.

On April 15 we had our first class party. We had a pizza party and a hayrack-ride. During the year we had a food sale, a car wash, and picked up corn for money-making projects.

We entered our sophomore year with a total of thirty-four members. We lost Wayne and Ken Ivey, John and Richard Frayer, Vickie Wakefield, Carman Volker, and Jere Tracy.

Our officers that year were: Stanley Lewis, President; Ruth Twombly, Vice-President; Sandy Blevins, Secretary; Nancy Hargis, Treasurer; and Scott Corder, Sgt. at Arms. The sponsors were Mr. Don Nigus and Mr. Wayne Myers.

For money-making projects we had a car wash, a food sale, sold apples at ball games and picked up corn at Blevins'.

We had two class parties. For one we saw "Way, Way Out" with Jerry Lewis and "Von Ryan's Express" with Frank Sinatra. The other party was a pizza party and a dance in the high school gym.

We began our busy junior year with the election of officers. They were: Stanley Lewis, President; Sandy Blevins, Vice-President; Rachel Titus, Secretary; Ruth Twombly, Treasurer; and Dennis Snyder, Sgt. at Arms. Our sponsors were Mr. Jerry Zahner and Mrs. Artis Stoebener.

We had the concession stand at all of the ball games, sold Birthday Calendars, picked up corn at Harold Rush's, and had food sales November 18 and December 16.

We had a hayrack-ride September 23. There was much excitement that fall when we selected our class rings for '69 with the Continental styling.

We chose as our class colors Nile green and primrose yellow, and for our flower, the yellow tea rose. Our motto was, "We consider the future and put the past behind".

One of the biggest events of our high school years was the Junior-Senior Prom for which we were the hosts. "Isle of Golden Dreams" was the theme. The banquet was held at the Maple Leaf Restaurant in Hiawatha. A caravan of cars was escorted by the Highway Patrol to Hiawatha and back. After the banquet, we returned to Allen Field House for the Prom.

Each guest was presented a Lei upon arrival at the dance. The gym was decorated with palm trees and pastel streamers. Refreshments were dispensed from a booth at the north end of the dance floor.

That year we lost Sam Caudle, Martin Idol, Mike Simpson, and Sharon Green, leaving us with thirty class members.

The seniors of '69 started their last year at "Ole HHS" with Scott Corder as President; Stanley Lewis as Vice-President; Rachel Titus as Secretary; Ruth Twombly as Treasurer; and Dennis Snyder as Sgt. at Arms. Mr. Tim Dougherty and Mrs. Erma Williams are our class sponsors.

Kim Liechti, Kathy Collins, Beatrice Shelton, Ken Edie, and Ron Waggoner left us. We gained Gregg Spittler from Missouri; this left us with a grand total of twenty-eight seniors.

To make money for our sneak, we sold cake chances at all home games, raffled off three turkeys, and had a work day.

We sponsored the Freshman Initiation dance in the fall. We had a days outing in St. Joseph to have our pictures taken.

The long-looked-for day for the Sneak finally arrived! With Mike Batchelder driving the bus, and Mr. and Mrs. Dougherty and Mr. and Mrs. Williams accompanying us, we left Highland at 3:30 in the morning of April 18. After a stop for breakfast and other stops for gas, we reached the Lodge of the Ozarks about 10:00 the same morning. The weather was terrible but that didn't stop most of the 69ers from going swimming-many suffered later for doing so. After dinner we set off in our different ways to explore the town. Due to the earliness of the season, many concessions were not open. We did enjoy riding the bumper cars time after time throughout the day and into the night. Go-carts, sea plane rides, boating, the "spook" house, part of "Dogpatch", and souvenir shops were other pastimes available. A moonlight dancing cruise with a live band, and reservations to the season's opening night of "Ozark Opry" were evening entertainments furnished by the lodge as part of the reservation price.

On May 10 we were the guests at the Junior-Senior Prom and Banquet. "Camelot" was the theme for the evening. The Highway Patrol escorted the car caravan to the Maple Leaf Restaurant in Hiawatha for the banquet, then back to Allen Field House. The gym was decorated with the parachute draped down to large pillars, and red and gold color scheme with a beautiful throne at the far end of the room reminiscent of Medieval castles. The juniors had planned and worked hard on the unforgettable evening dedicated to us.

Four years of study and fun culminated in graduation exercises. Baccalaureate was Sunday evening, May 18, 1969 at Allen Field House with Rev. Francis Reichart, pastor of the Highland-Bellevue United Methodist Churches, as speaker. The Mixed Chorus furnished music.

At the Class Program and Honor Awards Night, the seniors actively participated for the last time as students of HHS. Many students received awards for both academic and extra-curricular achievements.

Thursday evening, May 22, the seniors marched to their reserved section in Allen Field House to the strains of the traditional "Pomp and Circumstance" played by the High School Band. Dr. J. T. Sandefur, Chairman of the Secondary Education Department of Emporia State Teachers College, gave the address—"Toward Tomorrow".

Mr. Schmucker, Superintendent USD 425, presented the Class of '69 to Mr. Marvin Sabbert, President, Board of Education USD 425, who presented each graduate a diploma.

Thus ended the High School years for the '69ers!

Welcome by President, Rachel Titus.

Mrs. Lackey

PAT LACKEY

- P— is for the Patience Mrs. Lackey had. She always waited for us no matter how slow we were in getting things ready, and putting up with all of us.
- A— is for the Activities she sponsored us with; the Homecoming, the Athletic Banquet plus all the basketball and football games.
- T— is for the Thoughtfulness she had. She would always be thinking of a way to help us when we needed it.

- L— is for Lovable. A person has to work with and be around Mrs. Lackey to know what we mean by calling her lovable.
- A— is for Ambitious. She was always anxious to help us all in what we did.
- C— is for Cheerful. Every day she has a smile on her face. A cheerful smile always helps.
- K— is for Knowledge. It takes a lot of know-how to keep 60 girls in line and handle them.
- E— is for Eager and Exciting. Mrs. Lackey was always excited and eager to help us with everything.
- Y— is for Youthful ideas. I think this is something important. Mrs. Lackey always had youthful ideas for the club—teenage ideas. She was always willing to listen to our ideas; if she liked them she would encourage us to use them, and if she didn't like them she would point out why and how things would work better.

The Patchwork Quilt

A Fantasy in One Act by Rachel Field

Mrs. Willis, old and forgetful, has come to make her home with daughter Anne and her husband, Joe, and daughter, Betty. Joe has an attractive offer for the farm to be the site of a new hotel. But they can't find the deed to the place, and court records were lost in a fire.

Mrs. Willis is mentally disturbed about the loss of a "beautiful patchwork quilt". A fantasy scene shows William giving the deed to the old Todd place to Molly on their wedding day. A second fantasy shows Molly piecing a quilt with something very significant about the white square in the middle. Emily, helping mother, finds that the square crackles. When she asks about the secret, Molly describes the farm with the "lay-locks" by the door and the view of four counties from the front porch.

Betty brightens grandma's day temporarily with the return of the quilt until Anne sees it and insists Betty return it to the cook—it doesn't fit in with the decor of the room!

Where is the deed????
