Hello

My families -- Kent and Bailey -- settled in Doniphan Co in the mid-1850's. The nearest relatives left in the area are Katherine and June Bohr in Wathena. Helen Loroff in Troy was a close family friend. My grandmother, Mary G. Bailey, was the county Register of Deeds and Treasurer.

Anyway, I just want to get acquainted. I have a lot of info on my family (cousin Nancy Zebelean is helping me). I will send you a couple of copies of what I finally come up with. Meanwhile, if anyone else comes around looking for Kents or Baileys (or Baggotts from Jewell Co), please let me know.

Thanks,

Kent Bailey
