Dear Lovell family,

They went well vice handed and their family wife that you had given her when their car had car trouble or something in Kansas.

I was in a neighboring county yesterday & heard about a Lovell farm there. It is bet. Greensburg & Columbia on the old road from Greensburg to Columbia before you reach Bethel Church.

Farm is on W side of road. Used to be a log house there. Some ones family went to Nevada they think. No one there now.

I live in Jayton Co.

I took a picture of the debris down to the old place -

If these turn out to be your "Lovells" - quite a stroke of luck -
