Subject: Maxwell and Guthrie Families

I am trying to build my family tree. My aunt had started it several years ago. She told me that you had books or information in reference to these families. She also said that this information was possibly committed to paper by a farmer who just kept records(?) of local families. Do you have or ever have had such information? If it would happen that there are such documents, would it be possible for me to see/read them and copy any pertinent information? My name is Leslie Jones. I live at 1213 Kickapoo St., Leavenworth, KS, 66048. My phone numbers are (913)682-5336(home) and (913)306-1184(cell). Thank you for any help you might be able to give me.
