THE TROJAN
TROY RURAL HIGH SCHOOL
Troy, Kansas
The Trojan
Annual Staff
Dedication
Dedication

We, the senior class of '58, wish to dedicate our annual to you, Miss Rhudy, in appreciation of the fine interest and co-operation you have shown to us these past four years. You have not only taught us to enjoy mathematics, but you also taught many of our parents before us. In addition to this, you have devoted much of your time and effort to sponsoring several of our organizations. Yes, we are proud to dedicate our annual to you in observance of your unfailing service to our school and community for these past thirty-five years.
Principal's Message

In educating the children of our country we should not think of the classroom as the beginning or end of education. Other important contributors are the home, the church, and the community. Education is life in the making. The schools help to guide, direct, and speed the process.

Sincerely yours,

M.M. GINTER
Principal
