With the passing of time, the echoes of our school life will grow fainter and fainter, and finally die away. Though many things will befall us, may we preserve the memory of our most eventful journey in the pages of this book. It is our hope that we may recapture that echo and keep it locked within our hearts.

SENIORS

# Class Prophecy

Who is this we see in the crystal ball? Could it be Florence Nightingale? No, it is Vanessa Cruse, a 1966 graduate of HHS. After graduation, Vanessa went to K.U. Medical Center and got her degree. Then she became such an excellent nurse that the President assigned her as head nurse on Mars. Vanessa accepted the position and after she gets settled on the Planet, Mars, her husband, John, and seven children will join her.

Dixie Waggoner entered college to secure a teacher's degree in physical education and coaching after high school graduation. She is now head coach at the University of Kansas. She has never married because no one can run fast enough to catch her. Dixie, you'll just have to slow down.

Becky Rector married Bill Striet after graduation. Since Bill wished to continue his education, Becky took a job as an all-night car hop. It was hard work, but today Becky has been rewarded for her diligence. The Striets live in a small suburb of Kansas City, where Bill sells all kinds of used automobile parts.

Soon after graduation, Tedde Sinker married Charles Batchelder. A few months later, she realized her second goal in life---that of becoming the owner and editor of a small-town newspaper. She took over the Vidette. Since Tedde and Charles have purchased the paper, many changes have been made. She has done away with regular weekly editions and prints the paper only when she has the urge to do so. Her husband is busy at home with 50 Holsteins and 7 tall children, some blondes, some brunettes.

Linda Alfrey immediately married her high school sweetheart, Eugene Bottom after graduation. Everyone expected Linda to follow in the auto salvage business, but she declined to do so. Linda is quite busy, nonetheless, with three little Bottoms to manage.

Kathleen Schneider married Ben Lentz shortly after graduation. This was a big step in her life, but not as big as the one she and Benjamin have just completed. Throughout the last ten years, they have gradually purchased all the city of Iowa Point and surrounding land. It is now their domain on which their large family and Bennie's coon dogs enjoy the freedom.

Betty Joe Nuzum Weis' wish came true. She and Gary are the proud parents of twelve scampering little children--but this is only ten years after graduation! Well, B. J. wanted to break the record and have six children at one time... and she did it! She and Gary are very happy with all the gifts they received from all over the world after the six little girls were born.

Immediately after graduation, Diana Tilton married Geral Blanton. They make their home in Troy, Kansas. They are the proud parents of three young children. Diana has a sideline of interior decorating which she became interested in during her two years in Home Ec. III in high school.

Doug Miller joined the Marines after graduation. He decided to make a career of the service and is now a Colonel, stationed at Camp LeJeune, North Carolina. Often, in passing by his office, one can see a paper airplane flying out the window---a phenomenon as yet unexplained.

Dexter Winters went to college after graduation and obtained a degree in English. He is now English instructor at Topeka High School, and is reported to be one of the strictest disciplinarians in the school. "I can't stand any back talk," said Dexter as he rode off to work on his Honda.

After graduation, Melinda Cole became Mrs. Bob Wareham. Dr. Wareham, a veterinarian, and Mrs. Wareham are now in their ninth tour of the United States, speaking to civic and community groups on the evils of Communism. Melinda enjoys her work very much, but feels she is overshadowing Bob in some areas.

Steve Rorabaugh surprisingly flunked his college entrance test and was drafted. He chose the Marines and served for three years in Viet Nam. Finding he liked Asia and the Orient, Steve decided to live there. He now owns a chain of prosperous Geisha houses and lives in contentment with his wife, Ianthe-San.

For those that remember Freda Simpson as a quiet girl at HHS, she soon changed

after graduation. Freda and classmate, Mary Louise, moved to Kansas City and secured positions as secretaries. While in KC, she met and married a wealthy businessman. Freda is quite happy in her role as a society girl.

After graduation, Charles Waggoner journeyed to Hollywood to seek a job in the James Bond pictures. He found a small job and because of his faithfulness and hard work, has taken James Bond's place. Good luck, Chuck. We know we will enjoy your pictures.

George Watts joined the Foreign Legion shortly after graduation. For several years we had no word from George. Just last week, however, we received word that he had sent for his old high school sweetheart, Darla Keenan. It seems George has so many gambling debts from playing penny-ante poker, he cannot afford to return to the United States.

Eddie Nuzum surprised everyone when, 3 years after graduation, he married the girl next door. Ed now has 6 little girls whom he has put to work as pin setters in the White Cloud bowling alley. Everyone agrees that these fine-looking girls are a definite asset to the establishment, and all in White Cloud wish to thank Eddie for staying at home after graduation to raise this fine family.

John Whetstine left for New York City after graduation. He said he always wanted to live in a big city. He now owns one of the largest Pizza Huts in the city, and, although he serves only orange juice and milk as beverages, the business is booming. He says he just stands out in front of his hut and points to the door and the customers flock in.

Patty Jenkins tried several different trades after she graduated, but she just didn't care for any of them. First there was the school of dentistry, but she was dismissed after she became tired of listening to the false-toothed instructor and filled his mouth with red-peppered quick drying cement. Next, there was the School of Law, but she thought it too strict because of the many rules. So, being down-hearted, she went to Hawaii to visit relatives. There she met a prominent seven foot, eleven inch plantation owner and it was love at first sight. Patty's husband, whose name is SkyHi, grows a new specie of pineapple. Because Sky is so tall or because Patty has never had a hair cut in all the ten years since graduation, they are continually bumping into each other. But Patty just smiles and looks up saying, "Oh, Hi, Sky, why don't you watch where I'm going?"

Faradjollah Zabih moved to Kansas City after graduation and opened a small curio shop, specializing in Iranian products. He says at night he goes out and borrows peoples' hubcaps and decorates them with little sparkly things. He then sells them as Old Iranian keepsakes. "Americans will believe anything," says Mike.

Gary Simpson, who joined the Air Force after graduation, became a paratrooper. He grew so fond of that form of activity that, after he left the service, he joined a sky-diving club. Gary now jumps almost five times a week out of passenger planes, helicopters, rockets, or anything that can get up in the air. He predicts that sky-diving will eventually become the nation's favorite pastime.

After graduation, Gene Bauer immediately began work on his dream of setting up the world's largest lawn-mowing empire. He soon accomplished this goal and has now perfected a singing lawnmower. In his spare time Gene gives tennis lessons to his wife and seven girls, and does some opera work.

David Nuzum was drafted into the service after leaving HHS. After completing his hitch, Dave went to college and studies psychology. He was a prize student, receiving his masters degree with a thesis entitled, "Reactions of the make mammal while asleep". "It was always my favorite subject," says Professor Nuzum.

If you remember way back to our Senior Sneak in 1966, Merle Rush had a burning desire to be taken to the Playboy Club. She gained possession of a key, by unknown means, and spent every free moment at the club. She was so inspired that she decided that she would invest her money in her own club. She now has a group of girls that do a routine along with her. They are called 'The Rushers'.

After graduation, Dwight Dillon began to work for the movie studios in Hiawatha. For years he has been working up in the theatre business. He is now head of the Metropolitan Music House in New York. Dwight married Cindy Rockefeller last Christmas. They just returned from their honeymoon which took them around the world.

Mark Corder attended Kansas University after leaving HHS and graduated Cum Laude.

Hon

1966

He is now the band instructor at Wyandotte High School in Kansas City. When asked his opinion of school teaching, he replied, "The students nowadays are so belligerent and obnoxious. If they could only be more like I was while studying music at Highland High School."

Jerry Idol married his high school sweetheart, Jeanne Waggoner. They settled near Highland where Jerry farms. They have 2 children. Each summer they journey to Texas for the annual rodeo in which Jerry participates.

Lieutenant-Colonel Tom Bottiger, USMC, has recently married high school lover, Debby Dunn. Tom became well known in the late sixties with his daring attacks on Viet Cong villages with the "old black bomber". Tom comments that after his retirement from the Corps, he would like to become a highway patrolman.

Ben Lentz was married right after graduation to his classmate, Kathleen Schneider. They were no sooner married when Ben was drafted into the Army. He has been traveling all over the world with the service. He has been awarded the Silver Star for action in Viet Nam. Ben says his hunting experience has surely helped in the jungle fighting.

Coach Don Dawe of the Phillips University football team was recently featured in SPORTS ILLUSTRATED for his victorious season. After graduation from HHS, Don played college football at the University of Texas. After 14 years as the head coach at Phillips, Don has certainly earned his title of "Coach D. Dawe".

After graduation, Zelda Miner enrolled in Highland Junior College summer school. She planned to graduate from JHC in one year, but her plans were changed when she was offered the job as official cake decorator at the White House. Ten years have passed since she took this job, and as far as we know, Zelda is still beating batter and making flowers.

Can you believe it? Stephen Harness is married! Yes, Steve joined the Naval Air Force and met a WAC who swept him off his feet, and within 24 hours they were married. His wife is now a full-time housewife and mother of six boys. Steve is still in the Naval Air Force, but spends his spare time at the nearby Playboy Club of which is is President.

Jackie Huss, wanting to fly high in the world, applied as an airline hostess at TWA, and in the meantime married Don Scott, a leading agricultural engineer. Somehow, Jackie's application completely missed TWA and went straight to the President. After seeing that she made a striking Homecoming Queen and was a cheerleader in a compact model, he immediately drafted her as an astronaut. Of course, it was against her will, but that wasn't what made her angry. After being married to Jackie for a month, Don found that she planned to start her own go-go club, and he went into hysterical laughter. When he heard she was launched the next day, he laughed even harder because he thought it was a joke. As our brave Jackie chicken-heartedly orbits around the earth, we hear her screaming at Dawn every morning.

The National Basketball Association has been completely revamped since Charles Batchelder entered. Immediately after graduation, Charles attended school at K-State. A fine basketball player at K-State, Charles was a first-round pick of the Detroit Pistons. Coach Nick Pino of the Pistons was frequently heard to say that Charles' desire, hustle, and leadership make him a valuable asset to the team.

Graduating from HHS in 1966, Karen Sisk soon began her career in the US Navy. She was recently appointed commander of all Naval Operations in Kansas centering around the Brown County Lake. Karen comments that hers is a difficult task in an attempt to prohibit certain members of the educational system of Highland from frequenting the lake.

Elizabeth Davis, a '66 grad, is a hose designer in New York and Paris. While at HHS she liked to wear black hose, so after graduation she decided she would make different types of leg wear. Elizabeth's most famous type is called the "Wierd-shaped". This type can come in lavender with red, orange, and green polka dots.

Brenda Waggoner went to school instead of getting married. She has decided to become a professional student. Brenda says, "With all these scholarships, I can't afford to quit school."

After graduation, Lucille Thomas decided to set up a baby-sitting service for the people of Highland. Her idea worked out fine and now she has branches of her business all over the world. Lucille is very famous. She and her husband have three children of their own besides all the children she baby-sits with.

Three years after graduation from HHS, Dixie Cluck purchased the controlling interest of the Howard Johnson Restaurant chain. Having gained valuable experience as a waitress at Eleanor's, Dixie knows the business well.

Mary Lewis went south after leaving HHS to satisfy her most secret desire, alligator hunting. She now lives in the Okofonokee swamps in Florida and keeps herself fit by daily hiding in the bushes of the swamp waiting for an alligator. When one comes by, she clouts it on the nose with a huge club. 'The Terror of Tallahassee' has become a legend in her time.

Mary Lynn Hargis, never being able to stand our teasing her of her 'John', started producing her own little Johns after being married to farmer John Rush. Mary Lynn has to 'rush' to keep up with her Johns for there are 4 of them not including the Big John. There are John Lynn, John John, John Jesse and the little girl, Marry John. Even though Mary Lynn is very busy, she still finds time to teach her weekly Sunday School class. She replied, "I really love the children very much---they are like their father. I enjoy the weekly 'rush' from my 'Johns'.

Susan Foster, who left to California shortly after graduation, became such an expert at the art of corcheting that she started her own academy. Susan, still remembering her days as a Kayette, named her academy the California Cayettes Crocheting Cadettes. Susan's business really started booming when she started fashions for men. She crocheted a loose, knotted, shocking pink suit of long underwear that comes in pastels and she also knitted a waterproof tent. Knowing that Susan always believed that honesty is the best policy, the USSR is trying to hire Susan to do a new set of Iron Curtains for some future guests. Susan isn't sure she can handle the job because the Russiona said, "No strings attached."

After graduation, Marvin Irvin started a shuttle taxi service between Highland and St. Joseph. He started with a wheelbarrow, but gradually moved up in the field of transportation, until now he is using two stage coaches and one mule cart. He says business is good especially during the spring months when his friends wish to make frequent trips to the city after school hours.

I, Ben Lentz, will my cigarette habit to John Frayer; my sister, Virginia, to Gene Schneider; my javelin to Cynthia Hedrick; my coon dog, "Tanner", to Gene Schneider.

## Class History

When the class of '66 entered HHS, it was formed of forty-four frightened freshmen. The year was started with the election of the class officers. Those officers were Gene Bauer, President; Steve Rorabaugh, Vice President; Patty Jenkins, Secretary; Mark Corder, Treasurer; and Charles Batchelder, Sgt-at-Arms. The sponsors were Mrs. Florence Wolfley and Mrs. Rilla Volker.

We were initiated into HHS by being repainted, starched, and rotten tomatoed, ruining our hilariously horrible "get ups." After a day of polishing Seniors' shoes and being slaves to our keepers, the evening ended with a rollicking good party as legal members of HHS.

In the spring we went to St. Joseph and saw Elvis in "It Happened at the World's Fair"

During the year we had a food sale and car wash for money-making projects.

Leon Shelton quit school and Daniel Eby transferred at the beginning, and Linda Liechti transferred at the end of the year.

Forty-two sophisticated Sophomores started the year off by electing the class officers who were: President, Gene Bauer; Vice President, Steve Rorabaugh; Secretary, Patty Jenkins; Treasurer, Mark Corder; and Sgt-at-Arms, Charles Batchelder. The sponsors were Mr. Wayne Minchow and Mr. Milton Sandvold.

Our money-making projects for the year were a car wash, food sale, and picking up corn at Ted Sinker's.

We had two parties, both of which were movies. The first two, at Falls City, "Thunder Road" and "Hells Drivers," and the second was at Hiawatha which was "Call Me Bwana."

We welcomed two new students our Sophomore year. They were Jerry 'Tex' Idol and Kathleen Schneider. We waved farewell to Gary Utz, Mary and Kathy Edie and Alvin Frayer.

We began our busy Junior year, naturally, with the election of the very same officers as all the other years. Our sponsors were Mrs. Rilla Volker and again, Mr. Wayne Minchow. Greg Schiavo left us and we gained Becky Rector.

The summer before our junior year, as in the summer after, we had an ice cream social at the Fourth of July celebration.

We had a concession stand at all of the ball games, sold Birthday Calendars, and picked up corn at Jerry Neibling's. At one time in the year we had \$1,766.94 in the treasury, and by the end of the year we were left with \$463.

In the fall we had a hay-rack ride and a feast on the wagons. There was much excitement this fall when we selected our class rings for '66 with the Continental styling.

We chose the white rose for our class flower and for our colors: cherry red and pearl white. "We have followed; now we lead," was chosen for our motto.

One of the biggest events of our high school years was the Junior-Senior Banquet and Prom, for which we were hosts. "Catch A Falling Star" was the theme. The banquet was held at the Maple Leaf Restaurant in Hiawatha. A caravan of cars was escorted by the Highway Patrol to Hiawatha and back. After the banquet, we returned to Allen Field House for the Prom. The ceiling was covered with pale blue streamers giving it an evening effect, and thousands of stars lighted the night. From the center hung a six-foot revolving star. At the north we had the pink angel haired stairway, a rock garden and blossoming cherry trees.

The south was decorated in orchid streamers with the grass-covered platform on which the "Classics" stood. On either side of the platform were the ten by twelve-foot '65 and '66 class ring crests. It was a star-filled evening we all shall remember.

The Seniors of '66 started their last year at "ole HHS" with Gene Bauer as President; Steve Rorabaugh as Vice President; Patty Jenkins as Secretary; Ed Nuzum as Treasurer; and Doug Miller as Sgt. -at-Arms. Miss Patricia Duncan and Mr. Kendall Simcox are our class sponsors.

Because of illness, Brenda Waggoner joined our class, and we also gained Zelda Miner from Colorado and "Mike" Faradjollah Zabih from Iran.

To make money for our sneak trip we raffled cakes at the ball games, had a chili supper, and held a work day.

We sponsored the Freshman Initiation dance in the fall. In March we traveled to St. Joseph and had a choice of two movies, "The Silencers" or "A Patch of Blue."

Four years we had worked and looked forward to our Senior Sneak and on April 21 we left for Kansas City. Miss Patricia Duncan and Mr. Kendall Simcox were our sponsors, and Mr. Simcox also drove the bus. We stayed at the Continental Hotel in downtown Kansas City. We had zillions of things to keep us excitedly busy. We had swimming in the hotel pool, we toured several places such as the Nelson Art Gallery, the General Motors Plant, and the Kansas City zoo. We also went shopping, to movies, the Ice Capades, and the Gold Buffet. On Sunday morning, some students went to church. We returned home on Sunday evening, after an unforgettable weekend.

On April 30 we were the guests of the Junior class at the Junior-Senior Banquet and Prom held at the Maple Leaf Restaurant and Allen Field House. The theme was "Catch A Falling Star." The Juniors planned and worked hard on the lovely unforgettable evening dedicated to us.

Our Baccalaureate service was held on Sunday, May 15, and Commencement on May 19. Our speaker was Mr. Henry Shenk. Both took place in the school auditorium. The graduating class of '66 had forty-two members.

Our school days at HHS will always be remembered . . . some happy, others a little sad . . . but always remembered.

And now that the class of '66 has followed, we go on to lead.

MRS. RUTH ELIZABETH WHEATLEY

Mrs. Ruth Elizabeth Wheatley was born in Holton, Kansas, October 1, 1907, and died December 26, 1965, in Topeka, Kansas, following surgery.

Besides being the instructor of three French classes, Mrs. Wheatley was assistant librarian, supervisor of two study halls, and the Freshman class sponsor.

Mrs. Wheatley was a favorite among all students. Her wonderful personality and willingness to help everyone, won her many friends at Highland High School.

We are all grateful that we had an opportunity to know her and to work with her.

# One- Act Play

LEFT TO RIGHT: Gene Bauer, Mrs. Wolfley, Merle Rush, and Tom Bottiger.

The Highland High School one-act play entitled "The Shoemaker's Wife" was presented at Midway High School in K-36 League competition in February. Highland's entry was judged the second place winner by Sister Mary Janice Egon, the judge from Mt. St. Scholastica in Atchison. Merle Rush was awarded the Best Actress Award for the League. St. Peter and Paul of Seneca was the first place trophy winner.

The Shoemaker was played by Gene Bauer, Shoemaker's wife by Merle Rush, and Fritz by Tom Bottiger. The play was directed by Mrs. Florence M. Wolfley.

The play takes place in a one-room medieval shoemakers home and workshop. Characterization by all members of the cast was excellent as was the direction of Mrs. Wolfley. We are quite proud of the 2nd place plaque which hangs in the hallway.

Fritz--"I'd do ANY-THING for you."

Han's ghost returns....."Eeeek!!!!

The Kiltie Chapter of Quill and Scroll was organized in January of 1966. Quill and Scroll is an International Honorary Society for High School Journalists.

Assisting in the installation of our chapter were Mrs. Wolfley and Mr. Nigus, English instructors at HHS, Becky Bauer and Mike Parker, former KILTIE editors, Beth Winslow and Billy Noll, former KILTIE staff members, and Mr. Rorabaugh, journalism instructor.

Shown here is a blown-up photograph of the gold pin each member received and the current members of the Kiltie Quill and Scroll chapter.

Hosting the District Tournament involves quite a lot of extra work on the part of everyone at HHS. The snapshots below depict some of our HHS students, and the journalism class, at work in preparation for the tournament held at Highland on February 22-23-24, 1966.

The H. H. S. football team regained the K-36 League championship this year, going undefeated in league play, while compiling a 7-1 overall season record. Under Kendall Simcox, in his first year as head coach at Highland, the Bluestreaks suffered only a single loss to Centralia. The otherwise-perfect season was highlighted by a final, thrilling victory over Wathena to clinch the league championship. Highland is proud of the fine sportsmanship and extra effort displayed by the squad during its highly successful season.

The Highland Bluestreaks finished the 1965-66 season with a record of 13 wins and 5 losses. They finished second in the K-36 League and third in the District Tournament, missing a seventh consecutive trip to the Regional Tournament by a point in Midway's overtime victory in the semi-finals of the District. Eight boys contributed most to this year's record, including six seniors: Gene Bauer, Charley Batchelder, Mark Corder, George Watts, Steve Rorabaugh, and Doug Miller; and two juniors: Artie Lucas and Neal Bauer. In the post-season honors, Steve Rorabaugh was named to the K-36 League All-Conference team, as well as THE TOPEKA CAPITAL's and AT-CHISON GLOBE's All-Area teams.

The 1966 track season was another quite successful venture. Over fifty boys reported for the first practice and the majority stayed out the entire season.

At the State Indoor Meet at Manhattan's Ahearn Fieldhouse on March 26, Coach Simcox entered four boys. Steve Rorabaugh, senior, placed 2nd in the 440-yd. dash for Highland's only points.

The Next meet was a quadrangular at Hiawatha. Sabetha was the winner, followed by Highland, Holton, and Hiawatha. Steve placed 1st in the 440, 220, and broad jump for scoring honors. Scott Corder, a freshman, won the 100-yd. dash. Our medley relay team composed of Neal Bauer, Wayne Sutherland, Wayne Gordon, and Chris Parker also placed 1st. John Jeschke placed 2nd in the mile; Ben Lentz, 2nd in javelin; Tom Dorrell, 2nd in discus; and Scott Corder, 2nd in the broad jump.

On April 5, Midway came to Highland for a dual meet. The Streaks won this meet 88-45. Corder was high with 15 points, winning the 100, 220, and broad jump. Artie Lucas scored 11 by winning the high hurdles, 880-yd. run, and 3rd in broad jump. Artie set a school record in the hurdles with a time of 16.4. The old record was held by Bill Batchelder at 17.0. Terry

Williams won the 440; John Jeschke won the mile; Francis Fritch won the pole vault; Tom Dorrell won the discus; and Charles Batchelder won the high jump.

On April 8, Steve Rorabaugh represented the Bluestreaks at the 31st annual Ft. Hays Relays at Hays, Kansas. He won the 440-yd. dash, tying the Ft. Hays record at 51.8, placed 3rd in the 220 and 4th in the broad jump for 11 points and 9th place in the 38-team meet.

On April 12, Wathena and Troy came to Highland for a triangular meet. Wathena won the meet with Troy 2nd, and Highland 3rd. Several Highland boys did not compete to comply with the "8 meets per season" rule set by the KSHSAA. Bill Jenkins, a freshman, won the 880-yd. run; our medley relay team placed 1st, and Charles Batchelder won the high jump.

The annual Hiawatha Invitational Meet was held on April 15. The Bluestreaks performed to capacity to bring home the beautiful 3-foot-high trophy for 1st place in the meet. Steve again paced the Streaks with 1sts in the 440, 220, and broad jump to emerge as high point man of the meet. Our medley relay team of Williams, Gordon, Sutherland, and Parker also placed 1st in their specialty. Batchelder won the high jump for the Streaks. Others placing in this meet for Highland were: Corder, 2nd in 100, 220, and broad jump; Jeschke, 4th in mile; Lucas, 4th in 880; Dorrell, 5th in discus; 880-relay team, 3rd.

On Friday, April 19, all K-36 League teams journeyed to Troy for the annual league meet. The Wathena Wildcats had too much depth, although we gave them a battle throughout the day-long contest. Final Score: Wathena 82, Highland 78, Sts. Peter & Paul 37, Midway 25, Elwood 20, Troy 18. Rorabaugh swept the 440, 220, and broad jump to again lead all scorers. Others placing for the Streaks were: Corder, 1st-100; 3rd-220; 4th broad jump; Lucas, 5th-broad jump, 5th-high hurdles, 4th-880; Jeschke, 3rd-mile; Glenn Cruse, 3rd-100; Williams, 2nd-440; Billy Blanton, 5th-low hurdles; Jenkins, 3rd-880; Medley Relay (Bauer, Gordon, Cruse, Parker) - 1st; Wayne Sutherland, 4th-220; Caudle, 3rd-shotput; Fritch, 1st-pole vault; Lentz, 5th-javelin; Batchelder, 1st-high jump; Dorrell, 3rd-discus.

On April 26, Highland was host to 32 teams in the 6th annual Highland Night Relays. The weather was perfect and six records fell as a record number of athletes participated. The meet was a thrilling spectacle throughout with Highland, Wathena, and Centralia battling for the title. As the final event was completed, Centralia emerged as the winner with 43 points. Wathena had 42 and Highland 38. Records were set by Rorabaugh of Highland - 50.8 - 440-yd. dash; Blaine Thomas of Wathena - 4:43.3 mile run; Rick Streeter of Everest - 11'7" pole vault; Joe Feldkamp of Centralia - 2:05.1 880-yr. run; John Hartman of Wathena - 16.0 high hurdles; Centralia's mile relay team - 3:41.8.

Placing in this meet for Highland were: Rorabaugh, 1st in 440, 220, and broad jump; Corder, 2nd in 100, broad jump, 3rd - 220; Jeschke, 4th-mile run; 880-yd. relay--3rd; Medley relay - 2nd.

A committee of five coaches selected Rorabaugh as the outstanding athlete of the meet. The next Bluestreak outing was at the annual Troy Invitational Meet. Twelve teams participated and Highland brought home the 2nd place trophy. Wathena was the winner. Placing for Highland were: Rorabaugh - 1st in 440 and 220; Corder - 1st 100, 2nd 220, 5th broad jump; Cruse - 5th 100; Jeschke - 3rd mile; Williams - 2nd 440; Lucas - 4th 880; Medley relay - 3rd; mile relay - 5th; Batchelder - 5th high jump.

The next contest was the Baldwin Invitational at Baldwin, Kansas. Highland finished 7th in the 9-team meet. Rorabaugh was unable to compete and two more Streaks became ill while at the meet. Placing for Highland were: Corder - 3rd 100; Lucas - 4th broad jump, 4th 880; Cruse - 4th 100; Jeschke - 5th mile; 880-relay - 3rd; Williams - 4th 440; Sutherland - 4th 220.

The Centralia Invitational was held on a two-day basis due to a downpour of 2 1/2 inches of rain which prevented the finals on the original day. At the finals, Highland finished 2nd in the 22 - team field with 30 points. Individual placings for the Bluestreaks were: 880-relay (Corder, Gordon, Sutherland, Rorabaugh) 1st; Rorabaugh - 1st 880 yd. run; Steve's time of 2:03.5 was a Centralia Invitational record and a new HHS school record. Corder - 2nd 100, 2nd - 220, 4th broad jump; Williams - 2nd 440; Sutherland - 3rd 220; Lucas - 5th broad jump.

At the regional meet at Manhattan our medley relay team composed of Williams, Gordon, Sutherland and Parker established a new school record of 3:53.6 although failing to qualify for the state meet. Steve won the 440-yd. dash and placed 3rd in the 220.

The State Meet was held at Manhattan on May 20. Steve qualified on Friday for the Saturday finals in the 440, but did not run in the 220 due to a pulled muscle. In the finals, he placed 4th in the 440-yd. dash.

Photos on this page were taken at the sixth annual Highland Night Relays.

Steve Rorabaugh, senior 4-year letterman, is shown in the upper photo winning the 220-yd. dash, and in the lower picture winning the 440-yd. dash.

The center picture shows the presentation of the "Outstanding Athlete" trophy to Steve for the second consecutive year.

Steve holds school records in the 220-yd. dash, the 440-yd. dash, the 880-yd. run, and is a member of the record-holding .880-yd. relay team. He placed 3rd in the State 440-yd. run as a Junior, 2nd at the State Indoor and 4th in the State Outdoor 440 as a Senior.

For the first time in the history of the yearbook, a King and Queen were elected. Miss Tedde Sue Sinker was the Queen and Mr. Charles Batchelder was the King.

They were elected by those who had purchased a yearbook. Each person who bought a yearbook was allowed two votes. The King and Queen were announced on the night that the yearbook was given out.

There were over 40 nominees for these honorary positions. Our congratulation to Tedde and Charles.
