

Dear Brenda,

July 26, 2005

Enclosed is the information I found on John Albers and his family. The original marriage licenses can be found at the Doniphan County Courthouse. Their address is Doniphan County Courthouse, Clerk of the District Court, P. O. Box 295, Troy, KS 66087. Phone 785-985-3582. Probate records are also there.

John Albers married Rosina Holzhew 1 Nov 1874, Albert F. Albers married Marie L Gillen 22 Dec 1897 records are in Bk. E, and Herman G Albers married Lulu P. Howard 25 Nov 1896 their marriage record is also found in Bk. E. John Albers probate record number is 985 and Rosa's probate record number is 2569. On the 1900 census I highlighted the year of John's immigration.

I am sorry to say our copy of the Bendena Centennial is missing at this time so I was unable to copy that information for you. I did look for an obituary for John and his first wife Caroline but was unable to find one. I did find an obituary for Rosa. I also copied all Albers obituaries we have in our surname file. You might try contacting the Kansas State Historical Society in Topeka. They have more Doniphan County Newspapers than we do. They may be able to find an obituary for John and Caroline.

The cost is .15 cents for regular size page .20 cents for oversized page. The total cost for 19 pages at 15 and 4 pages at 20 is 3.65 plus postage. Hope this information is what you were looking for and will help a little. Good luck with your research.

Sincerely Yours,

Carla Watkins
