What does she need? Grace J.

Dear Cindy,

Thanks so much for the ANDERSON information. I really appreciate how quickly you were able to get this mailing to me. Please accept the enclosed donation to help defray the cost of xeroxing and postage. Should I find my elusive ANDERSONS, I 'll let you know.

Meanwhile, I would appreciate it if you would keep your eyes peeled and maybe inform Grace Jeschke of my research. I'm determined to find my O.W. ANDERSON & SON (1914). I'm convinced that when I do, I will finally find my ANDERSON connection in WV.

Enclosed is a self-addressed stamped envelope for your use. Should Ms. Jeschke be interested in doing research for me, pass it on to her.

You were delightful to talk with and I appreciated the help and the interest.

Yours in research,

Karen
