Wanda,

I looked in our resources and couldn't find anything on the people that you were looking for other than in our marriage books that shows the following:

Stantrugg, Samuel  
Ann Loudenback  
03 Sep 1860  
by a J.P.

This was in our book titled "Doniphan County Kansas Marriage Records 1855-1891.

I also found one more marriage that I don't know if it is a son of the Thomas Barnett and Orpha Ann but a Thomas F. Barnett, age 33 married a Maria Poiries, age 30 on 7 Feb 1888 by Rev. Timphans in Doniphan County also. I can send you both pages if you send me your mailing address. That is all that I found. Sorry.
