tion to unveil the monument erected
by the grand lodge A. F. & A. M. of
Kansas to the memory of Major
Vanderslice and Mr. Smith, founders
of masonry in Kansas, who are bur-
ied in a lot in the Highland ceme-
tery.

A great many prominent ex-
Highlanders are already either
pledged to come to Highland at that
time or are considering the matter
seriously. A complete program will
be published as soon as one can be
worked out, but it is certain the
event will be one of considerable
magnitude and every ex-Highlander
or ex-Highland college student
should plan to visit Highland during
these festivities.

COMMERCIAL CLUB BANQUET

The Highland Commercial Club
held a banquet in the Presbyterian
church basement Tuesday evening.
The Methodist ladies served the ban-
quet and it was a splendid affair.
The ladies deserve much credit for
the manner in which the meal was
served and for the quality of the
food prepared. About fifty persons
enjoyed the banquet though plates
had been laid for eighty.

Following the meal the Rev. W.
N. Armstrong, toastmaster and vice
president of the club, took charge
and introduced the subject of the
evening which proved to be the plans
for the homecoming celebration to
be staged in Highland during the
college commencement this year. A
very enthusiastic meeting was held
and much good was accomplished.
The program for the homecoming
will be announced as soon as plans
can be worked out for it and the
matter will be discussed through
these columns from time to time as
it develops.

Tabetha hospital. Her side has been
hurting her and an X-ray revealed
that her shoulder was out of place.
She has no idea how or when it was
thrown out of place.
