Faculty

One factor which a school certainly couldn't do without is the faculty. Through communicating their knowledge or skills they enrich students in studies and in everyday life. They have proved that they are leaders.

Many changes occurred in THS. The offices of superintendent and principal were combined. The combined office position was occupied by Mr. Kenneth Pharr. The office was enlarged, and Mrs. Nell Larzelere was moved to the high school office. Mrs. Mariam Thomas, secretary for the past four years, resigned to take employment at the Troy Courthouse. Her replacement was Mrs. Gail Clary.

U.S.D. #429 also introduced many new teachers. Mrs. Debra Wilke, Pep Club sponsor, and art teacher; Mr. Jerry Huff, band director; Miss Donna Nichols, Mr. Frank Davis, and Mr. Kent Brown, athletic coaches; Mrs. Sherry Deaton, librarian and government teacher; Miss Cheryl Schreiber, special education teacher.

This was also to be the last year for Mr. William Foster to teach in the THS system. After eleven years as science teacher, he resigned to continue his education.

Several classrooms were carpeted; the halls received a new application of paint for the first of the school year. The girls' rest room facilities in the lower hall were remodeled, and a new lunch program was started.

Mariam Thomas enjoyed the students and working four years at THS.

Nell is busy checking through files.

Mrs. Gail Clary works on her daily work.

Mariam takes time out for a laugh before starting another busy day at the office.

Nell is busy helping Gail with her work.

Mr. Pharr explains the rules to student.

Mr. Pharr Comments on Year

We are indeed fortunate to be living today in the greatest free country in the world. Our land is blessed with great opportunities for the individual to assert his initiative. Here is the hope that you will take full advantage of those opportunities.

Each year a record of activities and groups are combined in book form to remind us of what has passed. We must always look to the future but never forget the good experiences of the past.

This record should be a reminder that we had a small part in the lives of all of those around us. To gain our education, our curriculum includes the many personal contacts in activities as well as classrooms. We must be ever mindful that to be a success we must be a part of our society. A well-rounded education must include many parts in order to face the challenges of life.

To the yearbook staff and sponsor, Mrs. Martha Rockey, a great deal of credit should be given for providing this fine pictorial record of the 1977-78 school year. This year will be a constant reminder of our opportunities and our many responsibilities.

Organizations

Organizations are an essential part of the school system. They allow students to join together for a common purpose. They help strengthen leadership and develop talents, and enable youth to broaden interests, helping them in becoming well balanced persons.

The music department had a new director, Mr. Jerry Huff.

Mr. Kent Brown was the T-Club sponsor for his first year here.

A new look was acquired by the Pep Club with their royal blue uniforms. The constitution was updated and rewritten. Mrs. Debra Wilke was the new pep club sponsor.

Celebrating their 50th year was the FFA. A flag was purchased by the Chapter and flown in honor of National FFA Week.

Kayettes sponsored a powder puff game and a Sadie Hawkins dance.

The publications class competed in the KSPA journalism contest in Lawrence. This was the first year for Troy to participate in the regional and state contests.

Music director for HS band, church, and middle school band classes was Mr. Jerry Huff.

One of the ensembles that received a II rating at contest was the clarinet quartet. Those in the quartet were Joe Neumann, Debbie Winzer, Dian Reiser and Debi Reiser.

The Trojan Band under the direction of Mr. Jerry Huff consisted of 28 members. The group performed for all of Troy's home football half-times and basketball games.

The band participated in the Troy Halloween parade and also in the Hiawatha Halloween parade.

For the Christmas season, the band performed at City Hall in Troy and at the Wathena Nursing Home. On December 22, the band, along with the chorus, presented a Christmas concert at the high school.

This spring the band and several ensembles attended the league clinic in Highland and state contest in Baldwin. The band and small groups returned to Troy with many ratings to be proud of.

The end of the band's year was summed up with a spring concert.

Chorus Gets New Director

The chorus made their debut under the direction of Mr. Jerry Huff at a Christmas concert December 22. They also performed as a group at the variety show, May 2, and at the spring concert, May 16.

Organizations that wanted entertainment were entertained by the girls' ensemble. Various people and small ensembles performed at the variety show and spring concert.

The chorus went to league contest in Horton. Here, their performance was criticized and suggestions made to improve them before state contest. The goal of the chorus was to give a good performance at state contest in Baldwin. The chorus received a III rating.

"I was very pleased with the performance given by the Troy High School choir at state music contest. It was the best performance the choir has done this year. The rating which we received cannot show the improvement that the choir had made since the first of the year. My hopes are, that improvement continues and that we can have as good, if not better, performance at the spring concert on May 16, as we did at state music contest," stated Mr. Jerry Huff.

The choir was outfitted with royal blue choir robes.

Library Aides

Mrs. Sherry Deaton was the supervisor and instructor for the library science course. Students taking the course learned the history of libraries, organization and use of the card catalog, how to use reference collection; they also must pass a national test for library skills for completion of the course.

The library was reorganized for easy location of material; a stereo that included a cassette, 8-track tape player, turntable and AM-FM radio, and headphones, also was added to make a listening center for student group use and private listening. A sound film-strip machine was purchased. Recycling of newspapers added extra money to the budget, and seventy-five new paper and hard-back books were added. These were just a few of the improvements that were made.

Seated: Joe Weidmaier, Mrs. Sherry Deaton, Gordon Barnthorn. Standing: Sharon Boeh, Mary Huss, Tina Campbell, and Kathy Simpson. These students helped in the library this year.

Quill and Scroll New Members

Quill and Scroll Charter is granted to a school, not just to a publication's staff. Students whose work is in the fields of art and business management are eligible, as well as workers in the editorial phase of publications.

According to the Quill and Scroll constitution, members must be chosen from the students enrolled in high school who meet the following requirements: 1) a junior or senior classification, 2) upper third of their class, 3) done superior work in some phase of journalism or school publications work, 4) must be recommended by supervisor, 5) approved by Executive Secretary.

Quill and Scroll is an International Honorary Society for High School Journalists. It was organized April 10, 1926, by a group of high school advisors for the purpose of encouraging and rewarding individual achievements in journalism and allied fields.

Pep Club Has New Look

The pep club had a new look this year. The uniforms consisted of a royal blue, short-sleeved pantsuit with a long-sleeved white blouse underneath the shirt jacket.

The football players were treated to cookies and punch by the pep club, and the officers of the visiting pep clubs during basketball season were treated to sandwiches, potato chips, and punch by the officers of Troy Pep Club.

The officers were President Paula Culp, Vice-President Julie Christenson, Secretary Lori McKittrick, Treasurer Barb Gingery, Sergeant-at-Arms Shelly Staudenmaier, and Head Cheerleader Denise Etherton.

The money-raising project for the club was the selling of candles.

The pep club sponsored the Homecoming activities, consisting of a snake dancé through town, a bonfire at the fairgrounds, and a dance after the game.

FFA Celebrates 50 Years

Troy FFA chapter had a very productive year this year in more ways than one. The highlight of the year was when they celebrated FFA's 50th anniversary. The chapter officers celebrated this by going on a tour to KFEQ, Carnation Can Company and Pasco Steel. The other members were involved in the special flag-raising ceremony. This took place on the courthouse square where the special "FFA-at-50" flag was raised beneath the American flag, where it was flown for a week.

The chapter was involved in many district and state contests, bringing home several trophies to show for their work.

Many individual honors also were received. Debi Reisner became chapter sweetheart; Mark Stock, Steve Franken, and Mike Masters all received the state Farmer Degree. Serving as the Northeast District President for next year is Joe Neumann.

The money-making projects consisted of two main projects, the fruit sales and the chicken Bar-B-Q.

The Horticulture Team, judging and identifying plants, placed 4th in state. Bob Ebertson.

Mr. Barnett received the Honorary State Farmers Degree award.

A successful year for 1977-78 Kayettes was started out with a slumber party for all club members at the High School.

For their money-making project the Kayettes sold candy bars. The money from the sales was used in the adoption of a girl from British Honduras, helping a needy family at Thanksgiving and Christmas, along with many other school and community services.

A Powder Puff Game for the first time in several years was sponsored by the Kayettes, March 30; the game was played by the girls in Kayettes. Crowning ceremonies of the Powder Puff King were during halftime, and a Sadie Hawkins dance was sponsored after the game.

The Kayette banquet was April 24. New board members and officers were installed into their new offices and all Kayettes were thanked for cooperation and good work. The Kayette of the Year award was also given.

Sports

The 1977-78 school year has brought some changes to sports; three new coaches were added.

Kent Brown, head coach for football, was assisted by Dennis Schuler and the new assistant coach and athletic director, Frank Davis. They guided the team to a 6-3 record and second place league trophy.

Dian Reisner became the first girl to run on the cross-country team for Troy. The 1977 season also marked the last year for Bill Foster as the head coach.

Frank Davis, the new head coach, directed the basketball squad. He was assisted by Bill Foster.

Returning as head coach for the girls was Dennis Schuler, who has improved his team over the last four years. Warmups were bought for the A-Team girls' team.

The track team got new sweats and a new flight of hurdles was added at the beginning of the season. Kent Brown became the head coach as Bill Foster assisted. The new girls' track coach was Donna Nichols.

Tennis was added to the list of sports at Troy with Frank Davis as the coach. The team had six meets scheduled.

1st Year For Troy Tennis

1978 was the first year for competitive tennis at Troy High School in which a large interest arose. The season started with a big showing of fourteen people, but had to be reduced to a squad of six in order to form a varsity team. Those who played on the varsity team were as follows: Scott Davis, Steve Tetlow, Jason Yingling, Glen Grable, Greg Dannevik and Jay Jarrett. Coaching the team was Mr. Frank Davis. His main objectives were to teach tennis and make sure everybody improved his game. Out of six matches played, Troy won one, but that was no indication of the personal accomplishments of the season. In all, it was a season for learning and improving.

Looking back on the 1977 Trojan Football Season, many thoughts come to mind. I don't think a coach could ask for a better bunch of guys to work with, which includes our assistant coaches. Of course, all games are special occasions, but none will surpass the events that took place on our first victory. What a night! I don't think I've had a better feeling in my athletic life.

Besides winning a trophy for second place in the K-36 league, the thing that makes me happiest, was in our second league loss, our team fought back to win the next week. To me there are many hidden values in football and fighting back is one of the utmost.

As all other people starting their careers do, I had many reservations, one which was whether, what I had trained for in college would be what I wanted. Though I still have a ton of knowledge to learn, I plan and hope to coach for a long while.

All in all, the Troy football team, with several ups and downs, had a good season. And as the underclassmen and myself prepare and plan, the next season will be even better.

The 1977-78 Trojans finished with their best record ever. Led by five seniors, including four 4-year letterwomen, Troy outscored their opponents for the year, and rewrote the record book. In so doing, they have established a standard for which future teams should aim; that is, they improved their record in each year they participated.

I have enjoyed working with this group of young women. I wish the seniors good luck in their future endeavors and challenge the underclass girls to work toward surpassing the standards set by this year's team.

Activities

Unforgettable memories are captured, especially in activities. The thrill and excitement experienced by the girls participating in the crowning of a queen shall never be forgotten. Or the school play; you remember, Dian and Patty portrayed two girls who took an exciting, romance-filled trip to Paris.

The Senior-Faculty Game, where the male teachers opposed the senior boys, and female faculty members opposed the senior girls, was a fun, but challenging, game of basketball.

"We welcome you here tonight to the Powder Puff game, seniors and freshmen vs. juniors and sophomores," might be what you recall hearing March 30, when the Kayettes sponsored a football game played by the Kayettes and crowned the Powder Puff King.

Speech and music groups worked over half the year for the big day when state contest would arrive.

How could the juniors and seniors ever forget Prom night, a night filled with memories?

Graduation for the seniors; the ending of high school, but still just the beginning in the advancement up the ladder of life.

Debbie Reigns as Queen

Roger Ross crowned Debbie Duncan the 1977 Homecoming Queen, on October 14, during the pre-game ceremonies of the Troy-Jackson Heights football game.

Debbie's attendants were Denise Etherton, Mary Huss, Dian Reisner and Patty Speaks. Their escorts were Mike Masters, Robin McNemee, Bernard Sutton and Allen Winkel.

Crown and flower bearers were Rebecca Rush, Karmen Roper, Dwayne Barnett and Kelly Jasper.

Mr. Lloyd Barnett was the announcer for the ceremony.

The queen received her crown, sash and a bouquet of roses. The attendants each received one single rose.

"Spirit Week" was held October 12-14 in celebration of the 1977 Troy High School Homecoming. It included 50's Day, an assembly by the faculty, Hobo Day, an assembly by the senior football players and the traditional Blue and White Day.

"ToJo" provided the music for the dance, sponsored by the pep club and student council. The theme was "Somewhere Over the Rainbow."

The Troy Trojans were defeated 6-2, by the Jackson Height Cobras.
